Imagine a giant box is delivered to your front doorstep with your name on it. What's inside and what happens when you open it?

Write a short story about what it might be like if you woke up one morning with a mermaid tail.

Write about what would it be like if you had an alligator as a pet.

If you were in charge of the whole world, what would you do to make the world a happier place?

Imagine that dogs take over the world. What do they make the humans do?

Write about 3 places you would like to travel someday. What do these three places have in common?

Write a poem that starts with the word "if".

How do you feel when someone takes something of yours without asking? What is a good way to deal with it when that happens?

Imagine you walk out your front door one morning and it is raining popcorn! What do you do?

Award Winning Creative Writing Prompts Kids:

Reading Children's Fairytales Mette Lindahl-Wise, Harry Oulton, Vicky Macleroy, Emily Corbett, 2025-11-17 Fairytales form a cornerstone of children's and YA literature studies and the tale of Hansel and Gretel has been translated, adapted, and retold across the years. *Reading Children's Fairytales: Inside the Gingerbread House* brings together leading and emerging researchers and practitioners to showcase how interdisciplinary approaches enable diverse responses to texts. This edited collection opens up possibilities for cross-pollination between critical, multimodal, and creative approaches. It celebrates multiple forms of knowledge and meaning-making within and beyond academic discourse and engages young people in the conversation. The authors explore a wide range of retellings of Hansel and Gretel from children's picturebooks, graphic novels, poetry, and young adult fiction to sculpture and Hip Hop to offer a comprehensive investigation of the tale. The volume also benefits from the voices of acclaimed creative writers who create and reflect on retellings that cross cultural and international boundaries. In engaging with such a range of popular retellings, the chapters bring a renewed attention to the need to disrupt hierarchical and canonical perspectives on children's and YA literature.
