Shifting Mobility Dewan Masud Karim, 2023-12-01 In the face of resource depletion environmental changes lifestyle changes demographic and digital adaptation old ideologies of city building and expensive and complex automobility solutions are in freefall These changes are creating severe friction between the old and new paradigms This book provides new perspectives through the process of ideological disassociation and concepts of human mobility code The basic premise of the book human mobility is an essential component of our creativity that comes from our unconscious desire to become a part of

a community Several new concepts in the book starts with the hallmark of new discovery of human mobility code and its implications of urban mobility boundary systems to stay within safe planetary zone A new discovery of human mobility code from comprehensive research finding prove that each individual develops a unique mobility footprint and become our mobility identity Beyond individual hallmarks human develops collective mobility codes through interaction with the third space on which entire mobility systems lie and are created by the fundamentals of city planning and the design process Readers are introduced to an innovative mobility planning process and reinvention of multimodal mobility approaches based on new mobility code while formulating new concepts practical solutions and implementation techniques tools policies and processes to reinforce low carbon mobility options while addressing social equity environmental and health benefits Finally the book arms us with knowledge to prevent the disaster of full technological enlightenment against our natural human mobility code

Pilgrims and Pilgrimages as Peacemakers in Christianity, Judaism and Islam Antón M. Pazos,2016-04-08 Pilgrimages can be analysed as acts of conflict such as the Crusades or also as platforms for relationship building and rapprochement between religions With a set of contributions from leading experts in the field this book explores the concept of pilgrimage in Christianity Judaism and Islam Some specific examples of pilgrimages that helped to strengthen links between different religions or civilisations are explored ranging from Europe to Asia and from the Middle Ages to the twentieth century Even though every pilgrimage that is investigated here has helped to link different worlds the case studies show that this relationship rarely led to a better in inter understanding Nowadays peaceful coexistence seems to be its greatest achievement
