

Global Trend Gothic Fantasy

**Kathryn S. Brogan, Robert Lee
Brewer, Joanna Masterson**

Global Trend Gothic Fantasy:

Global Dialogue on Media Dynamics, Trends and Perspectives on Public Relations and Communication Fong Peng Chew, 2025-01-08 This book contains the proceedings of the International Conference on Public Relations and Media Communication PRMC 2024 which explore the dynamic intersections of public relations and media in today's rapidly evolving landscape. It has a repository of innovative research, insightful discussions, and emerging trends in digital media strategies, crisis communication, media ethics, public relations in the age of social media, and the impact of emerging technologies on media practices. It touches upon a wide array of topics and provides a comprehensive overview of the latest advancements and challenges in these fields. With innovative research contributions and case studies from around the world, this book will be instructive in shaping the way we look at the world of media and ourselves. This is a highly useful guide for university professors, research scholars, writers, journalists, and media professionals who wish to stay updated on the recent shifts in public relations and media communication.

Hebrew Gothic Karen Grumberg, 2019-09-01 Makes a persuasive argument that gothic ideas play a vital role in how Hebrew writers have confronted history, culture, and politics. Robert Alter, author of *Hebrew and Modernity*, *Sinister Tales* written since the early twentieth century by the foremost Hebrew authors, including S. Y. Agnon, Leah Goldberg, and Amos Oz, reveal a darkness at the foundation of Hebrew culture. The ghosts of a murdered Talmud scholar and his kidnapped bride rise from their graves for a nocturnal dance of death; a girl hidden by a count in a secret chamber of an Eastern European castle emerges to find that unbeknownst to her, World War II ended years earlier; a man recounts the act of incest that would shape a trajectory of personal and national history. Reading these works together with central British and American gothic texts, Karen Grumberg illustrates that modern Hebrew literature has regularly appropriated key gothic ideas to help conceptualize the Jewish relationship to the past and more broadly to time. She explores why these authors were drawn to the gothic, originally a European mode associated with antisemitism, and how they use it to challenge assumptions about power and powerlessness, vulnerability and violence, and to shape modern Hebrew culture. Grumberg provides an original perspective on Hebrew literary engagement with history and sheds new light on the tensions that continue to characterize contemporary Israeli cultural and political rhetoric.

Terrorism in Literature Bootheina Majoul, 2019-08-13 This volume celebrates literature as a strong subversive tool as an alternative for change through an exploration of terrorism in various literary works. It brings together scholars from all over the world, including Algeria, Argentina, Australia, Cameroon, Denmark, India, Italy, Tunisia, Turkey, and the USA, to offer their insights. As readers themselves, they share an eagerness to understand the psychopathological personalities circulating among us. They urge the reader to dig deep into literature to think, to cogitate, and to learn. One of the most important literary figures dealing with terrorism in his novels is the internationally acclaimed Indian writer Tabish Khair, who generously wrote the foreword to this volume. He sheds light on the possibilities offered by literature as a means of dissent and a powerful tool for truth telling. *Out of This*

World Rachel S. Cordasco, 2021-12-28 The twenty first century has witnessed an explosion of speculative fiction in translation SFT Rachel Cordasco examines speculative fiction published in English translation since 1960 ranging from Soviet era fiction to the Arabic language dystopias that emerged following the Iraq War Individual chapters on SFT from Korean Czech Finnish and eleven other source languages feature an introduction by an expert in the language s speculative fiction tradition and its present day output Cordasco then breaks down each chapter by subgenre including science fiction fantasy and horror to guide readers toward the kinds of works that most interest them Her discussion of available SFT stands alongside an analysis of how various subgenres emerged and developed in a given language She also examines the reasons a given subgenre has been translated into English An informative and one of a kind guide *Out of This World* offers readers and scholars alike a tour of speculative fiction s new globalized era

Colonialism, World Literature, and the Making of the Modern Culture of Letters Baidik Bhattacharya, 2024-02-08 This book is a radical reimagination of the idea of the literary through colonial histories and world literature

Children, Youth, and International Television Debbie Olson, Adrian Schober, 2022-03-29 This volume explores how television has been a significant conduit for the public consumption of changing ideas about children childhood and national identity via a critical examination of programs that prominently feature children and youth in international television The chapters connect relevant cultural attitudes within their respective countries to an analysis of children and or childhood in international children s programming The collection addresses how international children s programming in global and local context informs changing ideas about children and childhood including notions of individual and citizen identity formation Offering new insights into childhood and television studies this book will be of great interest to graduate students scholars and professionals in television studies childhood studies media studies cultural studies popular culture studies and American studies
