**Houses from Books** Daniel D. Reiff,2010-11-01 Many homes across America have designs based on plans taken from pattern books or mail order catalogs In Houses from Books Daniel D Reiff traces the history of published plans and offers the first comprehensive survey of their influence on the structure and the style of American houses from 1738 to 1950 Houses from Books shows that architectural publications from Palladio s I Quattro Libri to Aladdin s Read Cut Homes played a decisive role in every aspect of American domestic building Reiff discusses the people and the firms who produced the books as well as the ways in which builders and architects adapted the designs in communities throughout the country His book also offers a wide ranging analysis of the economic and social conditions shaping American building practices As architectural publication developed and grew more sophisticated it played an increasingly prominent part in the design and the construction of domestic buildings In villages and small towns which often did not have professional architects the publications became basic resources for carpenters and builders at all levels of expertise Through the use of published designs they were able to choose among a variety of plans styles and individual motifs and engage in a fruitful dialogue with past and present architects Houses from Books reconstructs this dialogue by examining the links between the published designs and the houses themselves Reiff s book will be indispensable to architectural historians architects preservationists and regional historians Realtors and homeowners will also find it of great interest A catalog at the end of the book can function as a guide for those attempting to locate a model and a date for a particular design Houses from Books contains a wealth of photographs many by the author that enhance its importance as a history and guide

**Home Design Standards Home Building Standards 1Q09** , [Southern Homes and Plan Books](#)

Sarah J. Boykin,Susan M. Hunter,2018-08-01 Southern Homes and Plan Books showcases the architectural legacy and design philosophy of Leila Ross Wilburn 1885 1967 a legacy that includes hundreds of houses in a variety of popular house styles from bungalows to ranch houses built using Wilburn s plan books during the first six decades of the twentieth century Wilburn opened her own firm in Atlanta in 1908 and practiced until her death in 1967 She published nine plan books that offered mail order house designs to contractors builders and prospective homeowners and allowed them the ease of choosing a preconceived design and construction plan Sarah J Boykin and Susan M Hunter provide a survey of the southern homes built from Wilburn s plan books examining Wilburn s architectural legacy and her achievements as a plan book architect The book provides beautiful photographs of houses built from her plans along with illustrations from the plan books themselves and other related documents from the time Readers can thus see how her designs were realized as individual houses and also

how they influenced the development of some of the Atlanta area's beloved historical neighborhoods most notably Druid Hills Morningside Virginia Highland and Candler Park as well as the McDonough Adams Kings Highway MAK Historic District in Decatur Today Wilburn's houses are enjoyed as appealing historic homes and represent some of the richest examples of southern vernacular architecture to emerge from the plan book tradition
