**The English Gothic Novel: Texts** Thomas Meade Harwell,1986 The Representation of Men in the English Gothic Novel, 1762-1820 Kate E. Behr,2002 Dr Behr has an engaging and lively mode of dealing with her chosen subject one which is in itself an attractive and original one moving as it does beyond the conventional stereotypes of the Gothic to reach a number of convincing reassessments of both gender and genre in this context The examination of the various aspects of male identity is insightful and controlled and Dr Behr s facility for the apposite and pithy phrase cuts to the heart of the discussion facilitating the flow of her ideas **Goth Chic** Gavin Baddeley,2006 Goth Chic explores gothic culture in the modern world It examines and identifies hidden gems from the underground alongside better known mainstream manifestations looking at all the facets of the culture Horror Literature Marshall B. Tymn,1981 *Science Fiction and Fantasy Literature, 1975-1991* R. Reginald,Mary Wickizer Burgess,Daryl Furumi Mallett,1992 Science fiction constitutes one of the largest and most widely read genres in literature and this reference provides bibliographical data on some 20 000 science fiction fantasy and horror fiction books as well as nonfiction monographs about the literature A companion to Reginald s Science Fiction and Fantasy Literature 1700 1974 Gale 1979 the present volume is alphabetically arranged by approximately 10 000 author names The entry for each individual work includes title publisher date and place published number of pages hardbound or paperback format and type of book novel anthology etc Where appropriate entries also provide translation notes series information pseudonyms and remarks on special features such as celebrity introductions Includes indexes of titles series awards and doubles for locating volumes containing two novels Annotation copyright by Book News Inc Portland OR

**Blueprints** ,1998 *St. James Guide to Horror, Ghost & Gothic Writers* David Pringle,1998 As a companion volume to St James Guide to Fantasy Writers this volume concentrates on those types of fiction which may be labelled as horror novels dark fantasies ghost stories gothic novels tales of terror supernatural fictions occult fantasies black magic stories psychological thrillers tales of unease grand guignol shockers creepy stories shudder pulp fictions contes cruels uncanny stories macabre fictions and weird tales Editor s note p ix Horror Literature through History Matt Cardin,2017-09-21 This two volume set offers comprehensive coverage of horror literature that spans its deep history dominant themes significant works and major authors such as Stephen King Edgar Allan Poe and Anne Rice as well as lesser known horror writers Many of today s horror story fans who appreciate horror through movies television video games graphic novels and other forms probably don t realize that horror literature is not only one of the most popular types of literature but one of the oldest People have always been mesmerized by stories that speak to their deepest fears Horror Literature through History shows 21st century horror fans the literary sources of their favorite entertainment and the rich intrinsic value of horror literature in its own right Through profiles of major authors critical analyses of important works and overview essays focused

on horror during particular periods as well as on related issues such as religion apocalypticism social criticism and gender readers will discover the fascinating early roots and evolution of horror writings as well as the reciprocal influence of horror literature and horror cinema This unique two volume reference set provides wide coverage that is current and compelling to modern readers who are of course also eager consumers of entertainment In the first section overview essays on horror during different historical periods situate works of horror literature within the social cultural historical and intellectual currents of their respective eras creating a seamless narrative of the genre s evolution from ancient times to the present The second section demonstrates how otherwise unrelated works of horror have influenced each other how horror subgenres have evolved and how a broad range of topics within horror such as ghosts vampires religion and gender roles have been handled across time The set also provides alphabetically arranged reference entries on authors works and specialized topics that enable readers to zero in on information and concepts presented in the other sections

The Rough Guide to Sci-fi Movies John Scalzi,2005 This guide explores cinema s fascination with space exploration time travel and fantastical worlds and tells the stories behind the movies that have been expanding our universe since film began

Science Fiction, Fantasy & Horror ,1991 A comprehensive bibliography of books and short fiction published in the English language

**Science Fiction, Fantasy, and Horror Film Sequels, Series, and Remakes** Kim R. Holston, Tom Winchester,1997 Science fiction fantasy and horror films have spawned more sequels than any other film genre While the perhaps overly familiar Dracula and Frankenstein have inspired dozens of additional films such movies as Quatermass and The Omen have also produced several sequels Over 400 horror science fiction and fantasy films are analyzed in this comprehensive reference to the genre s sequels series and remakes Filmographies are given for each film providing year of release studio running time cast and credits This is followed by a plot synopsis reviews of the work and a critical analysis

**European Gothic** Avril Horner,2002-10-11 The only collection to concentrate on the European Gothic writing in English French German Russian and Spanish Charts the rich process of cross fertilisation especially regarding Anglo French exchanges in the development of the Gothic novel Emphasises the importance of the impact of translation on the development of the Gothic novel Uses a variety of critical perspectives to reassess the work of authors such as Clara Reeve Sophia Lee Charlotte Smith Ann Radcliffe Matthew Lewis Charles Maturin Coleridge Mary Shelley Jan Potocki Balzac Dostoevsky Gaston Leroux and Djuna Barnes Offers a fresh way of thinking about Gothic lineages and histories
