Mindful Messages Mentoring Workbook Deborah A. Day, 2004

Mindfulness Workbook For Anxiety Rachel Stone, 2024-05-05

How many times have we been encouraged to see the cup half full instead of half empty? Oftentimes in western society the push to be optimistic and to think positive is drilled into us from a young age. However, if one is beginning to become more mindful, the transition to mindfulness may feel a little jarring. Instead of focusing just on the positive aspect of life, mindfulness encourages a realistic outlook on life that embraces the good and the bad, the positive, the negative, and the neutral. And this is where our book begins, starting off by learning about this effective way of living that has been used successfully for centuries. Mindfulness meditation is all about using your thoughts to be present in the moment and crafting the world that you want to live in. This type of meditation has been shown to have extraordinary effects on your life, from your mental to physical health. This book will show you how to tap into the beautiful power of mindfulness meditation, no matter if you are an expert or not. In this book, you will learn:

- Unexpected benefits of mindfulness on your body and mind
- A selection of mindfulness models to help improve your anxiety
- How to start your mindfulness meditation practice as a complete beginner
- Practical tips about identifying your anxiety-inducing triggers
- Exercises that will help you get started meditation from scratch
- Useful materials to help you deal with various anxieties such as day-to-day anxiety, social and test anxiety, OCD, and trauma recovery

Mindfulness Workbook For Anxiety: A Guide To Stress Relief and Anxiety Reduction With The Help of Daily Meditation will more than prepare you to begin your journey into mindfulness and meditation. It will help you shape your reality by taking the time to know your mind. Once you know your mind, you will be able to train it and ultimately free it from negative, debilitating thinking. Mindfulness allows you to know your thoughts instead of trying to change them. Before you begin your mindfulness meditation practice, know that it is not going to be easy. It will be a journey, but if you are dedicated, you will see a difference in your life. This book will guide you to achieving the ultimate goal of mindfulness: to know your mind. Once you begin to know your mind, you can begin the next step, which is to train it to help you deal with your anxiety issues and finally find the solutions you are looking for.
