literature and gives them time to read books they pick out themselves Her love of books and teaching is both infectious and inspiring In the book you ll find Hands on strategies for managing and improving your own school library Tactics for helping students walk on their own two feet and continue the reading habit after they ve finished with your class Data from student surveys and end of year feedback that proves how well the Miller Method works The Book Whisperer includes a dynamite list of recommended kid lit that helps parents and teachers find the books that students really like to read

**Persuasive Genres** Sujata S. Kathpalia,2021-09-30 This book provides an analysis of persuasive genres in the domain of media ranging from traditional to new media genres on the internet Kathpalia provides a layered analysis of a family of persuasive genres at the functional semantic and linguistic levels and a reconceptualization of genres as empowering rather than constraining enabling rather than binding and dynamic rather than static The book leads readers to an understanding of genre that accounts for the way we interpret respond to and create genres in different settings whilst shedding light on how genres change and how they evolve into new and unique forms to meet the ever changing needs of society This book would be of interest to those studying or researching the topic of genres and those interested in reconceptualizing the way in which we interpret and understand genres from linguistic and discourse perspectives

**Anointed** Toby Stuart,2025-09-02 A leading organizational theorist takes us deep into the realm of humanity s most powerful invisible force social status and how it shapes everything from who we trust and what we value to which ideas and innovations change the world and who gets credit for their success Why does an authentic Rembrandt fetch hundreds of millions while a nearly identical painting by his most talented disciple goes for a tiny fraction of that price What makes a restaurant hot a neighborhood up and coming or a technology the next big thing Why do people often choose the same seats in recurrent office meetings Who is most likely to interrupt someone else mid sentence Why do big name lawyers earn so much Why are health disparities so pronounced And why when someone gets a bit ahead in life does the small advantage so often compound The answer to all these questions is social status invisible hierarchies that influence every

aspect of our lives from our health to our personal relationships and careers to how we behave in social and work settings to the tastes and preferences we form Without it we'd be lost and paralyzed when faced with even the simplest decisions But it comes at a steep cost status works as a powerful amplifier turning small initial advantages into insurmountable leads Inequality is baked into its core Through compelling examples from business economics literature art fashion and beyond Anointed demonstrates how status cascades through society creating winners and losers in ways that often have little to do with merit And how new technology offers a glimpse of a more equitable future *My Friends* Fredrik Backman, 2025-06-19

The beautiful new novel that will make you laugh and cry from the global bestselling author of *Anxious People* and *A Man Called Ove* A stunning sweeping extraordinary story of connection love and the unbreakable bonds that guide and shape us Full of humour and heart *My Friends* is simply wonderful Chris Whitaker AN INSTANT SUNDAY TIMES AND NEW YORK TIMES BESTSELLER WINNER OF GOODREADS CHOICE AWARD FOR BEST FICTION 2025 SHORTLISTED FOR AMAZON'S BEST FICTION BOOK OF 2025 AN AUDIBLE BEST LISTEN OF 2025 A BARNES AND NOBLE NATIONAL BOOK CLUB PICK You have to take life for granted the artist thinks the whole thing sunrises and slow Sunday mornings and water balloons and another person's breath against your neck That's the only courageous thing a person can do In the corner of a world famous painting three tiny figures sit on the end of a pier a secret hidden in plain sight Twenty five years ago a group of teenagers found solace in each other during one unforgettable summer Their friendship inspired a transcendent work of art a painting that now mysteriously belongs to eighteen year old aspiring artist Louisa Driven to learn the story behind its creation Louisa embarks on a journey to the seaside town where it all began But as she gets closer to the painting's birthplace Louisa learns that happy endings do not always take the form we expect Fredrik Backman returns with an unforgettably funny deeply moving tale of four teenagers whose friendship creates a bond so powerful that it changes a complete stranger's life years later Readers can't get enough of *My Friends* five star reviews It was perfect I have no other words to describe this masterpiece Like what the hell was I doing all these years I haven't read a friendship story this genuine heartfelt clumsy straightforward smart sentimental shocking and emotionally resonant in a very long time Is it too early in the year to pick my favourite read of 2025 I think not as this will be hard to beat Backman remains my absolute favorite Absolutely brilliant and beautiful I loved loved loved this book
