The Road To Armageddon:

The Road to Armageddon Various, Charles R. Swindoll, 1998-12-30 Dallas Seminary's Prophecy Conference in a series of six sessions designed to help Christians understand Biblical prophecy Topics include such important events in prophecy as the Rapture the Tribulation the Antichrist and the Second Coming Rewarding for both the serious Bible student as well the person new to Bible prophecy [The Road to Armageddon - a Free Spiritual Guide](#) Chuck Facas, 2012-09-01 Official transcript from the documentary *The Road to Armageddon* examines the universal concept of the Apocalypse on an intensely personal and spiritual level not as the end of the world but as the end of you your body your mind and if you're not careful your soul The film puts the viewer on the front lines of the eternal battle between good and evil combining academic interviews with firsthand accounts of divine revelation to bring fresh urgency to the teachings of the world's major religions Buddhist Jew Muslim Hindi or Christian the message is the same spread love reject hate walk in the light avoid the dark listen to the angels ignore the demons The simplest choices you'll ever make lead to the hardest path you'll ever walk **ON THE ROAD TO ARMAGEDDON** Charles E. Blair, 1986 **The Road to Armageddon** Jack Tanner, 2020-01-15 The Road to Armageddon starts with the initial sin of Adam and runs through the Bible as others add their input It also traces men who sacrificed their lives to uphold the truth The Battle of Armageddon is the battle to end all battles [On the Road to Armageddon](#) Dick Perfect, 1993 *The Apocalypse Code* Hank Hanegraaff, 2010-09-20 Hank Hanegraaff reveals the code to Revelation Breaking the code of the book of Revelation has become an international obsession The result according to Hank Hanegraaff has been rampant misreading of Scripture bad theology and even bad politics and foreign policy Hanegraaff argues that the key to understanding the last book of the Bible is the other sixty five books of the Bible not current events or recent history and certainly not any complicated charts The Apocalypse Code offers sane answers to some very controversial questions What does it mean to take the book of Revelation and the rest of the Bible literally Who are the Antichrist and the Great Whore of Babylon and what is the real meaning of 666 How does our view of the end times change the way we think about the crisis in the Middle East Are two thirds of all Jews really headed for an apocalyptic holocaust The Apocalypse Code is a call to understand what the Bible really says about the end times and why how we understand it matters so much in today's world Provocative and passionate this fascinating book is a must read for everyone who's interested in end times controversies Lee Strobel Author *The Case for the Real Jesus* This book is a withering and unrelenting critique of the positions of apocalyptic enthusiasts Tim LaHaye Every fan of the Left Behind series should read this book The fog will clear and common sense will return to our reading of the Bible Gary M Burge Professor of New Testament Wheaton College and Graduate School *The Road to Armageddon* David Simpson, 1940 [The Road to Armageddon](#) C. D. Whitfield, 1998-02-01 **The Road to Armageddon** George P Moses, PhD, 2024-03-15 The book is divided into 5 parts Part 1 focuses on the impact of the conflict on our lives as we experienced it first hand by sharing stories of our tours of sites in Israel and Jordan

Part 2 examines the genesis of the conflict from a Biblical perspective with God's choice of Abraham and his descendants over the nations and peoples that existed in the land of Canaan as God deals with the wickedness and rebellion of man in his judgment on same Part 3 is an overview of the efforts that have been made as possible solutions to the conflict including diplomatic efforts economic incentives and grassroots movements for peace While I believe that ultimate peace can only come through divine intervention we must still strive for peace on earth as much as possible Part 4 considers obstacles to the Two State Solution as we acquaint ourselves with the ideologies that drive the conflicts Part 5 presents the battles that stem from the deeply held religious views and ideologies culminating in the final battle of all ages and concluding with personal reflections on the spiritual dimensions of the conflicts

The Road to Armageddon Nelson Word Publishing Group Staff, Nelsonword, 1999-05-01 *The Road to Armageddon* Peter Stiff, 1980 Messiah Grant R. Jeffrey, 1992 The author of Armageddon Appointment with Destiny presents an engrossing look at the prophecies which reveal the rapid approach of world upheaval and the Second Coming of the Messiah based on an exhaustive study of the Scriptures and new archaeological discoveries Includes updated material and revelations taken from the Dead Sea Scrolls Previously self published

The Road to Armageddon Cecil D. Eby, 1987 The Lost Generation has held the imagination of those who succeeded them partly because the idea that modern war could be romantic generous and noble died with the casualties of that war From this remove it seems almost perverse that Britons Germans and Frenchmen of every social class eagerly rushed to the fields of Flanders and to misery and death In *The Road to Armageddon* Cecil Eby shows how the widely admired writers of English popular fiction and poetry contributed at least in England to a romantic militarism coupled with xenophobia that helped create the climate that made World War I seem almost inevitable Between the close of the Franco Prussian War of 1871 and the opening guns of 1914 the works of such widely read and admired writers as H G Wells Rudyard Kipling J M Barrie and Rupert Brooke as well as a host of now almost forgotten contemporaries bombarded their avid readers with strident warnings of imminent invasions and prophecies of the collapse of civilization under barbarian onslaught and internal moral collapse Eby seems these narratives as growing from and in turn fueling a collective neurosis in which dread of coming war coexisted with an almost loving infatuation with it The author presents a vivid panorama of a militant milieu in which warfare on a scale hitherto unimaginable was largely coaxed into being by works of literary imagination The role of covert propaganda concealed in seemingly harmless literary texts is memorably illustrated

Approaching Judgment David A. Womack, 2016-09-01 Developed in a clear and logical manner this book explains the symbology that is found throughout the Revelation in light of what John himself said and within the context of his times The approach is thoroughly biblical and scripturally sound

Christian Zionism Stephen Sizer, 2021-09-13 I am glad to commend Stephen Sizer's groundbreaking critique of Christian Zionism His comprehensive overview of its roots its theological basis and its political consequences is very timely I myself believe that Zionism both political and Christian is incompatible with biblical faith Stephen's book has

helped to reinforce this conviction Rev Dr John Stott I believe Stephen Sizer is one of the most authoritative scholars in the world on the vital issue of Christian Zionism He is a very important voice speaking out against this destructive movement that is killing us Palestinians through its theology Canon Naim Ateek Stephen Sizer's Christian Zionism Road Map to Armageddon is essential reading for any Western evangelical trying to understand the religious dimensions of American support for Israel Sizer writes as an insider within the church not as a critic watching from afar And he shows with exacting clarity how evangelical eschatology has now embedded itself in a modern political ideology One quick read of this book will change anyone's perspective on the Middle East permanently Professor Gary M Burge Congratulations on Christian Zionism The index alone makes my mouth water since this is the scholarly treatment to counteract the rabid prophecy pack for which I had been searching I couldn't be happier that this is published You and I see eye to eye on this issue Yours is a true prophetic voice so badly needed in the current prophecy frenzy And when this mania also affects national and international policy the danger takes on larger proportions Professor Paul Maier Stephen Sizer's work on Christian Zionism is the most important and comprehensive on the subject to date and should be read by all students of the Middle East and by Christians concerned about a just resolution to the Palestinian Israeli conflict Christian Zionism raises vital theological and political challenges that must be addressed head on by Christians in the West particularly evangelicals The impact of this terribly misguided movement is increasingly putting Christians in the Middle East at risk and it seems a far cry from the witness and message of Jesus Christ Dr Donald Wagner This study of Christian Zionism based on Stephen Sizer's doctoral thesis is of seminal significance It provides a fascinating survey of the history of Christian Zionism and an in depth analysis of the theology of this highly important and influential movement Rabbi Professor Dan Cohn Sherbok **The Road Map to Armageddon** Mark Ledbetter, 2003-01-01 End-time Visions Richard Abanes, 1998 In this look at doomsday madness its history leaders followers and dogma Abanes cites historical antecedents from the Middle Ages and the Renaissance and discusses in detail the myriad of popular doomsday prophets including Japan's Aum Shinrikyo and other international movements Illustrations **Bowker's Complete Video Directory**, 2000 **The Road to Armageddon** Larry Collins, 2007-06-01 When Iran's deadly nuclear game is revealed CIA agent Frank Williams realizes there is only one man made for the job of traveling to the other side of the world to neutralize this threat his disgraced former partner agent Jim Duffy Williams travels to Duffy's quiet Maine hideaway and presents the facts of the case The world's largest heroin dealers have carved a path straight to America's doorsteps and may possess six of the deadliest weapons known to man Duffy doesn't want to yield to the Agency that rudely cast him aside But a sense of duty and a love of country will not let him stand by idle Not since *The Manchurian Candidate* has the thriller so closely walked the line between fact and fiction as readers try to ascertain if this is really happening Are we on the brink of our planet's final conflict **The Plot to Destroy Israel** Alvin Rosenfeld, 1977-01-01
