Illuminations on the Road to Nowhere Paul Ferrini,2001-05 There comes a time for all of us when the outer destinations no longer satisfy and we finally understand that the love and happiness we seek cannot be found outside of us It must be found in our own hearts on the other side of our pain This book makes it clear that we can no longer rely on outer teachers or teachings to find our spiritual identity Nor can we find who we are in relationships where boundaries are blurred and one person makes decisions for another If we want to be authentic we can t allow anyone else to be an authority for us nor can we allow ourselves to be an authority for another person This provocative book challenges many of our basic assumptions about

personal happiness and the meaning of our relationship with others and with God The Road that Led to Somewhere
Bryan E. Walls,1980 **The Road to Somewhere** David Goodhart,2017-09-28 Many Remainers reported waking up the day
after the Brexit vote feeling as if they were living in a foreign country In fact they were merely experiencing the same feeling
that many British people have felt every day for years Fifty years ago people in leafy North London and people in working
class Northern towns could vote for a Labour party that broadly encompassed all of their interests Today their priorities are
poles apart In this groundbreaking and timely book Goodhart shows us how people have come to be divided into two camps
the Anywheres who have achieved identities derived from their careers and education and Somewheres who get their
identity from a sense of place and from the people around them and who feel a sense of loss due to mass immigration and
rapid social change In a world increasingly divided by Brexit and Trump Goodhart shows how Anywheres must come to
understand and respect Somewhere values to stand a fighting chance against the rise of populism **Road to Nowhere**
