Risk Assessment: Animals in Schools

This template provides examples of possible content for assessing the risks of having animals in schools. It is important that you edit the content to reflect your context as the risks will vary according to the setting and the individual animals. You will also need to determine the risk rating for each hazard and associated risk.

Please note that your setting might have a separate template for risk assessments. If this is the case you should add your content to your school's chosen template.

Readings for Reflective Teaching Andrew Pollard, 2002-01-01 This unique book provides the reader with a mini library of over one hundred readings containing both classic and contemporary readings international contributors material drawn from books and journals An essential reference resource in its own right Readings for Reflective Teaching also contains numerous cross references to Andrew Pollard's Reflective Teaching

Handbook of Research on Teacher Education John P. Sikula, Association of Teacher Educators, 1996 In 1990 the first edition of the Handbook of Research on Teacher Education offered a comprehensive introduction to research based reform in the classroom emphasizing the need to create effective educational models in direct response to the evolving needs of different school settings Six years later as research based reform continues to strike a balance between the academic theories and classroom realities of our nation's schools the second edition of the Handbook seeks to balance the transitory nature of a career in education with the long term commitment such a career entails

Developing Teacher Assessment John Gardner, Wynne Harlen, Louise Hayward, Gordon Stobart, Martin Montgomery, 2010-02-16 The authors are well known in the Assessment field and this work presents their highly original analysis It promotes a professional learning approach that will undoubtedly help educationalists in schools and across the schools sector in their quest to improve learning Professor Mary James University of Cambridge UK This book explores the processes involved in developing assessment practice It argues that the role of teacher assessment needs to be

put firmly at the forefront of the educational agenda and that assessment by teachers needs to be developed in a widespread high quality and sustainable fashion The authors all members of the influential Assessment Reform Group argue that the target driven approach of external testing leads to problems including teaching to the test to the detriment of the wider curriculum and motivational problems In this book they tackle the differences between formative and summative assessment and ask the question What is quality teacher assessment There is coverage of key professional learning dimensions including The purposes of assessment The need for evidence to support innovation The process and steps to develop new practice Perceptions of what counts as quality assessment in schools The authors draw on these various perspectives to explain how teachers and schools can build on existing practice and develop new practices and how the system should react to support them This book is essential reading for teachers head teachers local authority professionals policy makers and academics

Towards Coherence Between Classroom Assessment and Accountability National Society for the Study of Education,2004-04-15 In analyses of the role of national educational assessment insufficient attention has been paid to the central place of the classroom Rather than encouraging a two way flow of information today s standards based frameworks tend to direct the flow of accountability from the outside into the classroom The authors of this volume emphasize that assessment as it exists in schools today consists mainly of the measurements that teachers themselves design evaluate and act upon every day Improving the usefulness of assessment in schools primarily requires assisting and harnessing this flood of assessment information both as a means of learning within the classroom and as the source of crucial information flowing out of classrooms This volume aims to encourage debate and reflection among educational researchers professionals and policymakers Five source chapters describe successful classroom assessment models developed in partnership with teachers while additional commentaries give a range of perspectives on the issues of classroom assessment standardized testing and accountability

Teaching and Targets John Blanchard,2013-01-11 Teachers school managers and governors are now more publicly accountable than ever They are expected to know how their school is performing and how to improve that performance Target setting is a key tool in the drive to raise standards and has been implemented at every level of the education system This book explores target setting from both the teacher s and pupil s viewpoint and investigates the role of assessment in successful teaching and learning It shows that it is possible to develop a whole school target setting policy co ordinating the use of targets for individual pupils subject specific departments and teams and whole school improvement plans In this way targets can be used positively for the benefit of pupils teachers and managers This book will be important reading for headteachers senior management teams assessment co ordinators and subject leaders in schools and will also be of interest to governors and LEA advisors

THE ROLE OF DENTAL SCHOOLS IN STATE LEVEL PROFESSIONAL POLICY FORMULATION. JOHN ERIC EISNER,1976 *Assessment and Grading in Classrooms* Susan M. Brookhart,Anthony J. Nitko,2008 *Assessment and Grading in Classrooms* is particularly geared to the needs of classroom

teachers emphasizing sound approaches to gathering both formative and summative information about student achievement of classroom learning targets interpreting standardized tests for classroom purposes and using information from multiple sources to help students learn Classroom examples and stories breathe life into the concepts presented in the text
