The Sacramental Life:

Holiness and Living the Sacramental Life Fr. Philip-Michael Tangorra, 2017 Just outside the realm of visibility the sacraments of the Church lie ready to effect real change in our lives We need only to let them in In *Holiness and Living the Sacramental Life* Fr Philip Michael Tangorra lays out the mystical and invisible realities that are present during the celebration of the sacraments and explains how they can lead us to living ever more in tune with God Read how the sacraments aren't empty ceremonies but rather powerful effective signs that bring grace crashing through the cosmos and into our world See how beauty expressed in art music and architecture can bring us deeper into the mysteries of God Fr Tangorra teaches the average Catholic how to abandon a lukewarm spirituality and start living a sacramental existence allowing God to imbue life with a constant sense of union and communion with the divine **Church and Bible Truths** W.
