Lead Me Back To You: A Fated Mate Werewolf Romance (My Fated Werewolf Book 2 The End) Ndidi otuya,2022-12-07 She loved him with all that she was she loved him But he had chosen her sister And on the night she confessed her love the night of her eighteenth year something terrible happened and that was the beginning of a different story this isn't a tale by moonlight it is the kind that you read that makes you ask why It is the kind that makes you hope that makes you yearn for love True love

The Alpha's Breeder Tay T.,2020-01-29 Meet Eros Hall an Alpha who isn't arrogant domineering or egocentric and fall in love just as hard as our main character does After being kidnapped by a group of vengeful werewolves Emira finds herself in one hell of a situation First she is believed to be a powerful Breeder capable of birthing an army of werewolf warriors in a world where supernatural beings are going extinct Second her true soulmate is a powerful Alpha who is hell bent on keeping her And third to make matters worse she only has six moon cycles to be marked mated and pupped What does that even mean This steamy romance novel contains scenes of adult intimacy and dark situations that can be triggering Reviews I have to be honest I'm only a few chapters in but I am enjoying this story immensely that I feel the need to share my thoughts now First of all this story is just a great product of the author thinking outside the box When I first read the title I expected it to be about a female werewolf who had to be mated to the alpha Now I'm trying to figure out what kind of species the main character is Second of all I've only read the first couple chapters and I'm already hooked I'm on the edge of my seat waiting impatiently to see what's going to happen And the intensity of the kidnapping is very well detailed As for grammar spelling punctuation I see very minimal to no mistakes at all I definitely recommend people read this book Can't wait to read more Charlotte Moore This is one of the best book I've read

before Reading this book will make you feel like you re on a emotional roller coaster It makes you wish you were actually in the book living with all those different people and wolf I found myself getting attached to all the characters The storyline is amazing and I love that this book is unique You will never find a book with a similar plot Again this is a good book Davina Nkasa This book is by far one of my favorites Savannah Burge An amazing story Captivated from the beginning Worth reading and falling in love with it Sakina Naeem What a brilliant story I was captured from the very beginning and was pleasantly surprised that it didn t turn out at all like I thought it would Tinkerbelle Leonhardt Too awesome LOVE this story soooooo much and I can t get enough of it I would recommend this story to anyone who likes to read about werewolves soul mates and romance Love you Tay Tay for writing this awesome story Victoria Aye Interesting and addictive I just couldn t stop reading it Angel Agams It s hard to find werewolf stories with a well written plot There was a background to characters and each scene gave enough description to understand what s going on This is on my list of good werewolf books to read I hope you write a sequel Rachel Pittman In the beginning I was disgusted by the idea of a breeder and all that crap more specifically how who finds her first owns her But I quickly started to realize that the plot line could be amazing if written by the right author and that s exactly what happened here I m usually not a fan of these kinds of werewolf stories where the mate doesn t have a say But in this story she does and she is in a loving and protected relationship If you like werewolf stories you will adore this book Alice This book is a MUST read It s sooo good It has a unique plot line that is not your everyday cliche werewolf novel The main character Emira is so funny and relatable And don t even get me started on Eros He s hot period It s different and I HIGHLY recommend it Kari *Edge of the Woods* Jules Kelley,2025-05-07 Fangs don t make a monster but they sure do help Long ago the title of pack alpha was won by tooth and claw a contest of strength and violence But Haley Fern is a modern werewolf and she was voted alpha in a fair election after her mother retired from the position Her small rural Montana pack trusts her to keep them safe from the wilds every full moon from territory disputes with their vampire neighbors and from outsiders who might discover that the town s werewolf folktales have their basis in reality and she takes her job seriously So it s a bad day when a well meaning outsider takes the job as her town s law enforcement liaison and a worse one when he shows up to introduce himself with a wounded teenager in tow Deputy Leland Sommers doesn t know the bite wounds are turning the boy into a werewolf but Haley does and that means she has lawbreakers on her land And when a dead body turns up on the pack s nature preserve shortly thereafter Deputy Sommers gets involved Working together to find the criminals would be a lot easier if Leland knew the truth but if Haley tells him without the approval of the higher ups it puts not only her job but also her pack and Leland s life at risk She can t let the interlopers crimes go unanswered but can she protect a brand new werewolf keep the pack s secrets and mete out justice by herself Is it an alpha s burden to rule alone Second Edition published 2025 *Den of the Wolves* Cara Wade,2020-04-14 SIZZLING HOT WEREWOLF ROMANCE COLLECTION 3 STANDALONE BOOKS IN ONE No cliffhanger Guaranteed HEA
