Fire Officer Principles and Practice Fifth Edition prepares today's firefighters for successful leadership and management in the fire service with an emphasis on how effective leadership skills can be used to meet the challenges fire officers face. The fifth edition has been updated to meet Chapters 9 Fire Officer I and 10 Fire Officer II of NFPA 1020 Standard for Fire and Emergency Services Instructor Fire Officer and Emergency Medical Services Officer Professional Qualifications 2025 Edition. Numerous updates make this renowned fire text the most comprehensive training resource for students studying to become fire officers. New content includes the following: Summary review questions, discussion questions, and a progressive case study with critical thinking questions in each chapter; Updated correlation grid featuring the detailed knowledge and skill objectives for each JPR requirement; New chapter Crew Resource Management; New content on leadership retention and managing crew member expectations; New community risk reduction (CRR) discussions on creating buy-in, population health, the economic impact of commercial fires, and more; New discussion of the incident command system; five types of ICS incidents and a seven-step process for making decisions; New content on active shooter, hostile events, catastrophic events, mass volunteer resignations, and labor relations; New section on behavioral health resources; New discussion on eyewitness accounts and when to suspect arson in vehicle fires. Much more.

The fourth edition of Fire Officer Principles and Practice was significantly updated and reorganized to better serve the Fire Officer I and Fire Officer II. The content meets and exceeds the job performance requirements for Fire Officer I and II in the 2020 Edition of NFPA 1021 Standard for Fire Officer Professional Qualifications. The new edition places an emphasis on the application of leadership traits and management theories, common leadership and management challenges, and how leadership is used to meet objectives. The basic principles and methods of Community Risk Reduction are also discussed. In addition, the program now has two distinct sections. Section One includes eight chapters which set the

foundation for Fire Officer I knowledge and understanding Section Two comprises six chapters which encompass the higher level competencies required for Fire Officer II This new organization will allow you the flexibility to teach your Fire Officer I and II courses exactly the way you wish
