What she got was the realization that she's both a witch and a vampire and that there are things in this world that want her dead. Thank god she has her enigmatic vampire lover Absolon Stavig to help show her the ropes. But while Lenore struggles to fit into her new topsy turvy world full of blood, sex, and magic she also has to contend with her messy and complicated love for a vampire who isn't always what he seems. To make matters worse her real father Jeremias a powerful warlock from the dark side has professed an interest in her while Solon's father the depraved vampire king Skarde is intent on destroying everything she loves. When Solon and Lenore have to travel to Finland to work alongside Solon's charming and vicious brother Kaleid in an attempt to defeat Skarde once and for all the two of them enter a bloody new world that neither of them are prepared for. Even if their love survives the carnage to come the chances of them getting out of there alive are slim. Good thing they like to take their chances. **The Blood Moon Saga**

A love that feels powerful and restrained all at once. Then the truth comes out. Luke is a vampire transformed after losing his human parents adopted by a family with secrets as old as the town itself. Loving a human is forbidden. Intimacy could cost Isabella her life or her humanity. As disappearances whisper through Agloe and rumors begin to surface Luke and Isabella must choose whether love is worth breaking every rule that exists to protect them.
