Does Job Sharing Work? Patricia Leighton, Marlene Winfield, 1988 Work Sharing during the Great Recession Jon Carleton Messenger, Naj Ghosheh, 2013-01-01 Work sharing is a labour market instrument devised to distribute a reduced volume of work to the same or similar number of workers over a diminished period of working time in order to avoid redundancies This fascinating and timely study presents the concept and history of work sharing and explores the complexities and trade offs involved in its use as both a strategy for preserving jobs and a policy for increasing employment The expert contributors examine the resurgence in the use of work sharing as a job preservation strategy via country case studies of work sharing programmes implemented across the globe during the Great Recession of 2008-2009 These studies clearly illustrate that work sharing has been successful as a crisis response measure in a number of countries Lessons learned and their implications are presented alongside prescriptions on how to design permanent work sharing policies that would provide appropriate incentives to generate positive effects for employment and promote a sustainable and job rich economic recovery This enlightening book will prove invaluable to academics researchers students and policymakers in the fields of labour economics public sector economics and social policy

Changes in Working Time (Routledge Revivals) Paul Blyton, 2014-06-17 First published in 1985 this book examines the major components of working time from an international perspective considering the individual aspects of working time with particular emphasis on the argument that work should be shared to alleviate unemployment and the case for further increasing the flexibility and choice in working arrangements Paul Blyton reviews working time since the Industrial Revolution when a strict time frame was first imposed on workers and the growth in work sharing flexitime part time working and changes to the retirement age
