

TOM THOMSON

Tom Thomson loved the rough country of northern Ontario. His exploratory artistic style and his appreciation of the wilderness helped shape the style of the Group of Seven, though his untimely death prevented him from exhibiting with the Group. Thomson created hundreds of small, miraculous oil paintings while supporting himself as a guide and forest ranger in Algonquin Park. Many of Thomson's oil sketches were executed in only a few hours, but they remain masterpieces of modern, distinctly Canadian, art.

McMichael Canadian Art Collection

Tom Thomson s'était épris de la beauté sauvage du nord de l'Ontario. Sa technique artistique des plus innovatrices ainsi que sa passion pour les contrées reculées ont eu une influence sur le style du Groupe des Sept, bien que sa mort prématurée ait exclu ses œuvres des expositions organisées par celui-ci. Thomson a réalisé des centaines de petits tableaux peints à l'huile tout en travaillant comme guide et garde forestier au parc Algonquin. Il exécute la plupart de ses œuvres en quelques heures seulement. Toutefois, celles-ci demeurent de véritables chefs-d'œuvre de l'art canadien.
