

Adventure Story Starters

Write your own adventure story. Select an image or quote to use as the inspiration for your short story. If you select a quote, do not research the author or text that the quote originates from. Instead, rely on your own interpretation of its meaning to help inspire your story.

Carefully Consider:

- Who your characters are and where the action will unfold.
- The complication that will form the basis of your story.
- How your story will resolve itself.

Remember to:

- Give yourself time to plan before you start writing.
- Give careful consideration to vocabulary choices.
- Pay attention to sentence length and structure.
- Carefully edit your spelling, punctuation and grammar.

"...if adventures will not befall a young lady in her own village, she must seek them abroad..."

John Austen

"The traveler sees what he sees. The tourist sees what he has come to see."

G.K. Chesterton

*"Where forlorn sunsets flare and fade
On desolate sea and lonely sand,
Out of the silence and the shade
What is the voice of strange command
Calling you still, as friend calls friend..."*

William Ernest Henley
