Where's Laurie? Joseph H. Arnold, 1945      *Walking on Sunshine* SJ McCoy, 2024-01-26 Get ready to fall in love with a heartwarming later in life romance in SJ McCoy's *Walking on Sunshine* the eleventh book in the beloved Summer Lake Silver series. Damon, a former Marine, is struggling after a difficult divorce but he's found solace in his new home in Summer Lake. He's taken on two jobs to keep himself busy: working as a personal trainer during the day and bartending at Taryn's restaurant at night. Jo has recently retired from her job as a portfolio manager and moved to Four Mile Creek to start a new chapter in her life. She's done with her stressful career and with her stressful marriage to a ruthlessly successful fund manager. When Damon and Jo run into each other around town, they feel an instant connection. However, they don't believe the other could possibly be interested in them. Damon sees a high-powered businesswoman, and Jo sees a free spirit who doesn't have time for a woman in his life and who wouldn't choose her if he did. Fate brings them together when Jo hires a personal trainer and is shocked to find that it's Damon. As they work out together, they quickly become close friends. As they navigate their feelings for each other, they must also face the challenges of Damon's not-so-ex-wife and Jo's grown kids who desperately want to reunite their parents. The magic of Summer Lake is strong with the support of good friends and the idyllic setting, but these two will have to navigate their pasts before they can hope to find happiness together in the present. With its delightful cast of characters, feel-good storyline, and charming small-town setting, *Walking on Sunshine* is the perfect read for anyone who believes in the power of love and the joy of finding it later in life. Sit back, relax, and let the magic of Summer Lake sweep you away. Summer Lake Silver romances find happily ever afters for those who remember being thirty something vaguely. Just because a few decades or more have skipped by since you were in your twenties, it doesn't mean you can't find love. Does it? Featuring couples in their fifties and older, SJ McCoy's seasoned romance series proves you don't have to pack your heart away with the old photos. Five Smooth Stones Ann Fairbairn, 2009-04-01 This gripping bestseller, first published in 1966, has continued to captivate readers with its wide-ranging yet intimate portrait of an America sundered by racial conflict. David Champlin is a black man born into poverty in Depression-era New Orleans who makes his way up the ladder of success only to sacrifice everything to lead his people in the civil rights movement. Sara Kent is the white girl who loves David from the moment she first sees him and who struggles against his belief that a marriage for them would be wrong in the violent world he has to confront. And the five smooth stones are those the biblical David carried against Goliath. By the time this novel comes to its climax of horror, bloodshed, and hope, readers will be convinced that its enduring popularity is fully justified.
