hilarious awkward encounters a supportive LGBTQ organization and too many cheesy lyrics to count all with the compulsive readability of Audrey Wait and Boy Meets Boy Junior Nattie McCullough has always been that under the radar straight girl who hangs out in the cafeteria with her gay straight alliance friends She s never been the girl that gets the guy let alone the girl that gets a hit song named after her But when last summer s crush smoking hot musician Sebastian Delacroix who has recently hit the mainstream big time returns home to play a local show that s just what she gets He and his band the Young Lungs have written a chart topping single Natalie which instantly makes Nattie second guess everything she thought about their awkward non kiss at that June pool party That it was horrific That it meant nothing That Sebastian never gave her another thought To help keep her mind off of Sebastian and his maybe about her maybe not about her song Nattie throws herself into planning the school s LGBTQIA dance That proves problematic too when Nattie begins to develop feelings for her good friend Zach With the song getting major airplay and her once normal life starting to resemble the cover of a gossip magazine Nattie is determined to figure out once and for all if her brief moment with Sebastian was the stuff love songs are made of or just a one hit wonder
