Why Heritage:

Routledge Handbook of Critical African Heritage Studies Ashton Sinamai, John D. Giblin, Shadreck Chirikure, Ishanlosen Odiaua, 2024-09-06 This handbook is a foundational reference point for critical heritage research about Africa and its diaspora. Foregrounding the diversity of knowledge systems needed to examine heritage issues in such a diverse continent, the contributors to this volume argue for an understanding of heritage that is at once both natural and cultural, tangible and intangible, political and dissonant, going beyond the physical and objective to include subjective narratives, performances, rituals, memories, and emotions. It examines the pre-coloniality, coloniality, post-coloniality, and decoloniality of current African heritage discourses and their consequences, analyses how heritage legislation derived from colonial law is compatible or otherwise with how heritage is perceived, identified, and remembered in African communities, discusses questions of repatriation, restitution, and reparations in relation to the return of artefacts from Western countries, illuminates the importance of difficult heritage within Africa and its diaspora, and considers the role of heritage for development in Africa. Making a crucial contribution to our understanding of African conceptions and practices of heritage, this book is an important read for scholars of African Studies, heritage and museum studies, archaeology, anthropology, and history. [Heritage, Culture, and Politics in the Postcolony](#) Daniel Alan Herwitz, 2012 The postcolonial state, like its European predecessor of the 18th and 19th centuries, deploys heritage institutions and instruments—museums, courts of law, and universities—to empower itself with unity, longevity, exaltation of value, origin, and destiny. This book reveals the febrile pitch at which heritage is staked by examining situations in South Africa, India, and the US to capture its perfect embodiment of the struggle to seize culture and society at moments of profound social change. **Routledge Handbook on Cultural Heritage and Disaster Risk Management** Rohit Jigyasu, Ksenia Chmutina, 2023-12-27 This Handbook provides a comprehensive and interdisciplinary overview of the intersections between cultural heritage and disaster risks. It serves as a defining reference, presenting the key concepts and policy arena that disaster risk management and cultural heritage currently operate. With 22 contributions from leading scholars and practitioners in the field, chapters explore the various contexts for cultural heritage and disaster risk management, illustrated through case studies from around the world. The Handbook is organised into 4 parts: Part 1 includes Disaster Risk Management and Cultural Heritage; Part 2 helps to Understanding the context; Part 3 focuses on the challenges; and Part 4 delves deep into the future prospects. This Handbook provides insights on a wide range of topics and themes, such as climate change, conflict, urbanisation, the role of community, and examines the relationships with a range of sectors such as governance and policy, finance, infrastructure, shelter, and urban planning. It also presents critiques on issues that are often taken for granted, including technocratic approaches, nature, culture, binary, the romanticisation of traditional knowledges, and the role of recovery and reconstruction. Insights into the future are also presented, and the Handbook concludes with a detailed agenda of proposed action to be taken in the field. Offering critical reflections on the topic, this book caters to

students researchers professionals and policy makers in the fields of disaster studies cultural studies heritage studies conservation and geography

Research in Heritage Speaker Bilingualism Amelia Tseng, Charles B. Chang, Tania Leal, Jin Sook Lee, Belem G. López, 2025-07-31 Research in Heritage Speaker Bilingualism unites diverse methodological perspectives on heritage language research offering insights into key research questions experimental designs research techniques and instruments used to investigate heritage languages This ambitious volume covers a variety of linguistic affective social and educational perspectives all related to heritage language research Each chapter provides a state of the art overview of the topic under discussion with examples from a variety of heritage languages is written in a highly accessible way featuring activities and leads to further research literature Readers are guided through theoretical background research justification creation use and the possible outcomes of key research methods This exciting text is an invaluable resource for graduate as well as advanced undergraduate students in second language acquisition language learning and heritage languages

Studies in Italian as a Heritage Language Francesco Bryan Romano, 2023-04-27 The book is dedicated to the linguistic psycholinguistic and ethnolinguistic dimensions of Italian as a heritage language spoken by minorities in the Americas and Europe The contributions deepen our understanding of heritage language bilingualism in general especially by comparing the acquisition of inflectional morphology in Italian with the processes at play in other heritage languages

Foundations of Corporate Heritage John M. T. Balmer, 2017-03-16 Heritage is increasingly recognised as a significant corporate concern with corporate heritage brands and identities often forming an important part of a nation's patrimony Foundations of Corporate Heritage explains the principles processes strategic significance and challenges of corporate heritage formation and management This scholarly but accessible anthology includes seminal articles on the territory and also includes five new contributions with questions for study and reflection with students on executive taught courses in mind With contributions from the leading international experts in corporate heritage this book examines the research foundations of the area and applications in practice It will be important supplementary reading for students practitioners and specialists in corporate marketing brand management and marketing communications as well as tourism hospitality and heritage studies

Emotional Heritage Laurajane Smith, 2020-07-20 Emotional Heritage brings the issues of affect and power in the theorisation of heritage to the fore whilst also highlighting the affective and political consequences of heritage making Drawing on interviews with visitors to museums and heritage sites in the United States Australia and England Smith argues that obtaining insights into how visitors use such sites enables us to understand the impact and consequences of professional heritage and museological practices The concept of registers of engagement is introduced to assess variations in how visitors use museums and sites that address national or dissonant histories and the political consequences of their use Visitors are revealed as agents in the roles cultural institutions play in maintaining or challenging the political and social status quo Heritage is Smith argues about people and their social situatedness and the meaning they alongside or in concert with

cultural institutions make and mobilise to help them address social problems and expressions of identity and sense of place in and for the present Academics students and practitioners interested in theories of power and affect in museums and heritage sites will find Emotional Heritage to be an invaluable resource Helping professionals to understand the potential impact of their practice the book also provides insights into the role visitors play in the interplay between heritage and politics

Heritage Politics in China Yujie Zhu, Christina Maags, 2020-01-02 *Heritage Politics in China The Power of the Past* studies the impact of heritage policies and discourses on the Chinese state and Chinese society It sheds light on the way Chinese heritage policies have transformed the narratives and cultural practices of the past to serve the interests of the present As well as reinforcing a collective social identity heritage in China has served as an instrument of governance and regulation at home and a tool to generate soft power abroad Drawing on a critical analysis of heritage policies and laws empirical case studies and interviews with policymakers practitioners and local communities the authors offer a comprehensive perspective on the role that cultural heritage plays in Chinese politics and policy They argue that heritage making appropriates international national and local values thereby transforming it into a public good suitable for commercial exploitation By framing heritage as a site of cooperation contestation and negotiation this book contributes to our understanding of the complex nature of heritage in the rapidly shifting landscape of contemporary China *Heritage Politics in China The Power of the Past* is essential reading for academics researchers and students in the fields of heritage studies cultural studies Asian studies anthropology tourism and politics

The Story of Heritage Herbert Gough, 1880 [Korean Heritage](#), 2020 **An Institute of the Law of Scotland** John Erskine, 1871 **Your Heritage** Calvin E. Amaron, 1891 **An Institute of the Law of Scotland**, 1871 *The Heir Without a Heritage* E. Fairfax Byrrne, 1887 *The Heritage of the Spirit* Mandell Creighton, 1896 *Barbara's Heritage* Deristhe Levinte Hoyt, 1899 **Marguerite's Heritage** Mrs. Georgie Sheldon, 1892 **Our Church Heritage; Or the Scottish Churches Viewed in the Light of Their History, Etc** Churches in Scotland (Scotland), 1875 *Fulness of Grace: the Believer's Heritage* Isaac E. Page, 1874 **Christian Purity; Or the Heritage of Faith ... Abridged by the Editors of the Methodist Family** Randolph Sinks FOSTER (Bishop of the Methodist Episcopal Church.), 1872
