Why I Write Penguin Great Ideas:

Why I Write George Orwell, 2014-10-30 Throughout history some books have changed the world They have transformed the way we see ourselves and each other They have inspired debate dissent war and revolution They have enlightened outraged provoked and comforted They have enriched lives and destroyed them Now Penguin brings you the works of the great thinkers pioneers radicals and visionaries whose ideas shook civilization and helped make us who we are Whether puncturing the lies of politicians wittily dissecting the English character or telling unpalatable truths about war Orwell's timeless uncompromising essays are more relevant entertaining and essential than ever in today's era of spin *Wifedom* Anna Funder, 2025-02-25 A NEW YORK TIMES NOTABLE BOOK OF THE YEAR WOMEN'S PRIZE FOR NON FICTION FINALIST This is the story of the marriage behind some of the most famous literary works of the 20th century and a probing consideration of what it means to be a wife and a writer in the modern world Simply a masterpiece Funder not only re makes the art of biography she resurrects a woman in full Geraldine Brooks winner of the Pulitzer Prize author of *Horse at the end of summer* 2017 Anna Funder found herself at a moment of peak overload Family obligations and household responsibilities were crushing her soul and taking her away from her writing deadlines She needed help and George Orwell came to her rescue I've always loved Orwell Funder writes his self deprecating humour his laser vision about how power works and who it works on So after rereading and savoring books Orwell had written she devoured six major biographies tracing his life and work But then she read about his forgotten wife and it was a revelation Eileen O Shaughnessy married Orwell in 1936 O Shaughnessy was a writer herself and her literary brilliance not only shaped Orwell's work but her practical common sense saved his life But why and how Funder wondered was she written out of their story Using newly discovered letters from Eileen to her best friend Funder re creates the Orwells marriage through the Spanish Civil War and the Second World War in London As she peeks behind the curtain of Orwell's private life she is led to question what it takes to be a writer and what it is to be a wife A breathtakingly intimate view of one of the most important literary marriages of the twentieth century *Wifedom* speaks to our present moment as much as it illuminates the past Genre bending and utterly original it is an ode to the unsung work of women everywhere *Copyright's Arc* Martin Skladany, 2020-09-03 Copyright is not one size fits all Skladany argues that copyright law should instead vary according to a country's development status [Penguin by Design](#) Phil Baines, 2005 Since the creation of the first Penguin paperbacks in 1935 their jackets have become a constantly evolving part of Britain's culture and design history Looking back at seventy years of Penguin Phil Baines charts the development of British publishing book cover design and the role of artists in defining the Penguin look **Essentials of Visual Communication** Bo Bergström, 2008 *Essentials of Visual Communication* is an inspiring and uniquely accessible guide to visual communication The book presents the major disciplines in today's media and puts theory into practice explaining how to achieve a strong communication chain from strategy and messages to design and influence to reach the target audience
