**Parliamentary Debates** New Zealand. Parliament,1946 **The Origins of Self** Martin P. J. Edwardes,2019-07-22 The Origins of Self explores the role that selfhood plays in defining human society and each human individual in that society It considers the genetic and cultural origins of self the role that self plays in socialisation and language and the types of self we generate in our individual journeys to and through adulthood Edwardes argues that other awareness is a relatively early evolutionary development present throughout the primate clade and perhaps beyond but self awareness is a product of the sharing of social models something only humans appear to do The self of which we are aware is not something innate within us it is a model of our self produced as a response to the models of us offered to us by other people Edwardes proposes that human construction of selfhood involves seven different types of self All but one of them are internally generated models and the only non model the actual self is completely hidden from conscious awareness We rely on others to tell us about our self and even to let us know we are a self **The Complete Works** George MacDonald,2022-11-13 In The Complete Works George MacDonald offers an extensive collection of his literary masterpieces encompassing poetry novels and fairy tales that delve into themes of spirituality morality and the power of imagination MacDonald s writing is characterized by its lyrical prose and deep philosophical underpinnings often reflecting the influence of Romanticism and early Victorian beliefs His narratives frequently intertwine the fantastical with the moral inviting readers to traverse realms where the ethereal meets the tangible making this collection not just a showcase of his literary talent but a significant exploration of human experience and divine grace George MacDonald 1824 1905 was not only a novelist but also a fervent theologian whose religious convictions deeply informed his prose He is often regarded as a precursor to modern fantasy literature influencing prominent figures such as C S Lewis and J R R Tolkien MacDonald s experiences in the Scottish Highlands and his embrace of Christian Universalism shaped his narrative vision allowing him to portray both the struggles and redemptive arcs of his characters in
