

REMEMBERING YOU ON THE

First Mother's Day Without You

This is the first Mother's day without you -
It brings back *memories* that are unforgettable.
I know that Mother's day will never be the same...
I miss you more than words can say.

You were so loving and caring, so precious and dear.
How my *heart* yearns for you,
wishing you were here...
It's a loss that's still hard to bear
especially at this time of the year.

I try to find comfort in trusting
you're resting in perfect peace...
You were one in a million and will always be
dearly *loved* and forever missed.

I'm grateful for the times we had together -
They mean more to me now - more than ever...
Nothing can take those memories away.
I'll *treasure* them this Mother's day and always.

Trapped Without You Daniel Ray Joyner, 2023-05-15 It was that very very cold night in December that would change my life I was very young yet even at five years old I had always dreamed of attending college and receiving my degree One obstacle stood in my way poverty We were dirt poor I sadly watched constantly my illiterate father drown himself in alcohol Not once did he ever have that father to son talk Not once did he say to us that he loved or cared for us Yet on the other hand God gave to us our hard working Christian mother a woman who was the opposite of our father a woman who prayed to God every night praying and showing just how much she truly loved her sons Every day of my life I often thought about where my footsteps would lead me Here I was constantly surrounded by poverty violence and racism Would I end up hanging on some street living in poverty or worse dead That one question that constantly haunted me with every footstep I took was simply How would I survive in this world without my mother How could I live without you
