**The Essential Evangelical Parallel Bible** John R. Kohlenberger, 2004 The Essential Evangelical Parallel Bible enables readers to easily compare the texts of a quarter of modern translations that span the full range of scholarly approaches to the ancient text

**Quicksilver Chronicles** Frances K. Woods, 2012-02-01 Quicksilver Chronicles is one woman's surreal and satirical memoirs spanning about a decade from the beginning of this new century depicting what life throws at her family of gem mining misfits struggling to live with a lethally polluted watershed in a forgotten western ghost town called New Idria As the James family copes with their systematic mercury poisoning the aftermath of unscrupulous mining corporations the U S Department of Defense and a reservoir hoarding drug rehab upstream their hopes of environmental justice diminish with each new anti scientific edict enacted by the state The tiny community earnestly elects an orange tabby a people hating cat as Mayor to represent their micro nation Told through the eyes of Georgia James the saga details the clan's run ins with highgraders UFOs Littlefoot the insane War on Drugs and the absurd politics of the Bush Cheney years

**Blindspot** Ilse Nusbaum, 2006-12-12 In this dark and gripping psychological tale Ophelia a woman whose identity was fractured into five separate personalities by her father's satanic rituals seeks love justice and unification The road to hell is paved with gold an illusion of the setting sun The month is October The year is 1946 The road is in Michigan north of Detroit The novel opens with the birth of the fourth alternate personality of a tormented child Identity dissociation is the mind's defense against relentless childhood abuse Multiple Personality Disorder is the extreme result When the third alter too frightened to cope flees into temporary amnesia the fourth girl emerges The first sound she hears is a man's voice He calls her Faith but she isn't Faith Faith is the name of the first girl She is Ophelia the novel's narrator Her journey through life begins as the unwilling witness to murder Her father is the murderer She falls into a state of oblivion a black hole of the mind The next time Ophelia opens her eyes she is inside a house filled with art and music and an aura of evil The idyllic setting the shores of a small lake north of Detroit conceals a sinister reality On these shores and in nearby woods gods

and demons compete for human souls Good and evil free will and fate fidelity and fanaticism sacred oaths and prophecies determine the outcome Ophelia's mother is an artist Her father Max Mahler is a brilliant handsome charismatic physician He is also the prophet of a satanic cult its god the master of the moon He spins a web of myths and lies and fantasies to lure disciples His daughter is the victim of sadistic rituals performed to appease the demon's lust Fragmentation is her mind's defense The alters survive by sharing the suffering In this complex novel nothing is what it first seems to be Ophelia's first days in a hell of her father's creation are a jumble of confused activity Sometimes she observes a red haired girl who looks like her an alter Sometimes she takes her place The five alters have separate memories talents and identities The descriptions of the bizarre rituals are disturbing graphic and explicit They leave no doubt that the girl whose identity splinters is smart and brave Fragmentation is not an act of cowardice Ophelia soon becomes the dominant personality At nineteen she plots her escape with courage and cunning She leaves taking her infant daughter with her Max lets her go He knows she'll return on a predetermined date The story picks up 25 years later Ophelia is a mother a teacher of philosophy and an artist who has found love but she hasn't truly escaped Her father has located her Lured by the offer of her mother's art she returns her pagan faith intact She is the princess in the tower who has to save herself in order to save others When her father and half brother snatch her young granddaughter she stands in their way Her courage when she faces two armed men grants the unity she both craves and fears her god's gift to her Her father's vengeful god takes what belongs to him in death and conflagration Despite dark psychological undertones and pervasive religious satire the novel is in essence a romance The hero is noble The heroine is beautiful smart and brave *Blindspot* reads like a myth a disturbing fantasy The specific cult is fictional but horrific acts in the name of religion are not Memory is the key to identity When identity is fractured a question arises Is the woman who survives parental molestation a reliable narrator or does her road to hell begin with a single act of intolerable violence and end in a nightmare that unfolds in her mind *Al-Qata'i* Reem Bassiouney, 2023

*Al Qata i* is a historical novel set in Egypt over several periods of time and explores the legacy of Ibn Tulun who ruled Egypt in the 9th century Inspired by Ibn Tulun's mosque which still stands as the largest in Cairo and one of the oldest in Africa the story takes place in and around the smaller cities that were the historic precursors to Cairo in the 9th and 10th centuries Fustat Qata i and Giza Ibn Tulun built the city of Al Qata i and its mosque as a city where people of multiple beliefs could live together Bassiouney's novel brings this period of time to life through vivid descriptions and by showing the everyday struggles of people of the time period These are woven together with scenes from 1918 and 1919 which represent the modern discovery of the historic Tulunid mosque and adjoining houses and function as a narrative bridge between the events of the 9th and 10th centuries and today showing how this period could present a model for Egyptian harmony today The structure of the novel is similar to Bassiouney's last novel *Sons of the People* It takes place over three periods in time across three connected sets of characters and is thus in three parts *Maisoon Ahmad's Dream* and *The Pledge* The first part gives a

glimpse of life in Egypt before Ibn Tulun arrives At the start it is very bleak with a despotic regime ruling Egypt It ends with Ibn Tulun s rise to power Part Two relates three different perspectives on Ahmed Ibn Tulun For Bassiouney Ibn Tulun was a visionary uniting Greek Roman Coptic and Arab elements of Egyptian society into his army and the city of Qata i This part develops several story lines including a love story Part Three recounts the story of Aisha daughter of Ibn Tulun after his death Bassiouney s novels have been praised for their inclusion of strong women characters and focus on viewpoints not often seen in Arab literature and this novel includes a similar focus on women characters **Cedar Tree Mysteries Book**

Crowded Out! Susie Frances Harrison,1886 Crowded Out and Other Sketches by S Frances Harrison is a collection of sketches likely written during the late 19th century The work seeks to capture various aspects and phases of colonial life particularly from a Canadian perspective blending both truth and imagination to explore unique individual characteristics in society The opening of this collection sets the tone with a poignant and introspective piece about an unnamed protagonist who finds himself in a state of desperation and ambition while living in London He reflects on his artistic aspirations grappling with the reality of being an unknown toiling within the boundaries of a vast city that seems indifferent to his existence As he seeks recognition for his creations including an opera dear to him he is haunted by memories of a love Hortense who remains a distant dream The narrative paints a vivid picture of the protagonist s feelings of loneliness longing and passion for both his art and the city itself establishing a foundation for the sketches that follow in the anthology This is an automatically generated summary The Evangelist ,1899 The Daltons ...
