The Soap Opera and Development Feruzi Anjirbag,1990 This study begins with an acknowledgment of the power of stories and the power of story telling We tell stories to cope with our day to day experience And we tell stories that help us come to terms with the big issues in our lives death violence conflict The plot characters symbols and formula of modern day myths are our attempts to make sense in some partial way of our existence The centrality of the story is shared by all cultures across place and time Over time the frames through which we tell our tales have changed and become more technological and mass mediated But in many fundamental ways the story has remained the same We are still explaining ourselves to ourselves through characters who search for love and happiness struggle to make choices between good and bad It is getting more and more difficult to be clear cut about these values and our tales reflect this ambiguity even as they become more bizarre take flight into hitherto unexplored liminal worlds of alien planets and twilight zones This study offers a history and critique and suggests an alternate practice for a particular story telling system the soap opera In the United States this

dramatic serial is broadcast every weekday by the three commercial television networks American Broadcasting Company ABC National Broadcasting Company NBC and Columbia Broadcasting System CBS usually during the afternoons Soap operas are the only dramatic programming produced and videotaped daily Monday through Friday in broadcast studios shortly before they are aired Soap operas are shown throughout the year and are rarely preempted for other types of programming Only major news stories such as the U S invasion of Panama take precedence over the soaps This narrative form evolved from a marketing need to reach the housewife on an on going basis with messages that promote household products like soaps detergents baby products and cereal In the American context the economic function of the soap opera as a commodity to sell other commodities informs its production context and its content as well as the way the target audience is perceived by the commercial sponsors the advertisers and the networks The power of this dramatic serial has been recognized in other parts of the world as well The telenovela the Latin American counterpart of the U S soap opera is extremely popular and airs on prime time as well as during daytime Most Latin American television systems show 9 to 14 telenovelas daily 5 to 6 times a week However the soap opera has also been used for other purposes besides entertainment It was Mexico that first demonstrated that in the combination of story and actors enhanced by the serial nature of soap opera drama could be the elements of a powerfully evocative pro social text Between the mid 1970 s and the early 1980 s Mexico produced and broadcast five soap operas designed specifically to tackle major social problems The success of this new development communication strategy proved that pro social soap operas could attract large audiences and profits while at the same time promoting development themes like adult education women s emancipation and health education Leaves 1 3

Days of Our Lives Maureen Russell,2010-06-07 On November 8 1965 Days of Our Lives debuted on NBC The show overcame a rocky beginning to become one of the best loved and longest running soap operas on daytime television For 30 years the story of the show s Horton family has been closely followed by a dedicated audience Through extensive research including the first ever examination of the show s archives and interviews with cast members writers producers and production personnel the show s history is told here This reference work provides a complete cast list from the show s debut through 1994 as well as the most comprehensive storyline of the show ever available Also included are family trees of the show s characters tracing the often confusing relationships involved in thirty years of developing roles

Worlds Without End ,1997-01-01 A volume commemorating the December 1997 exhibition *The Soap Opera* Muriel G. Cantor,Suzanne Pingree,1983-06 A comprehensive survey of the history the means of production the content and the impact on audiences of soap operas A sociologist and a specialist in women s studies combine to review the content of soap operas and the way in which they are produced How have the themes of soap operas changed with social convention How do these massively popular serials aimed at a female audience portray women at work and at home The impact of soap opera on its audience the different varieties of soap operas and the differences in structure content and commercial purpose between soap operas and
