Postfeminist Film & Literary Aesthetics Alyce Corbett, 2025-05-23 Postfeminist Film Literary Aesthetics In Search of the Female Gaze represents a novel and comprehensive study of the aesthetic and affective textual innovations of women in the 21st century from a postfeminist perspective This book both defines and helps shape the contours of four fast growing critically and commercially popular modes millennial film and fiction metamodernism an anti narrative and decorative realm named here as still life and new cli fi in which there is no clear male equivalent or in which women's work can be read as a distinct aesthetic force As the textual constellation of now is being mapped and its key texts being canonised this book contributes to the current recentring of aesthetic taste that is occurring in literature film and surrounding criticism making greater space for the appreciation of female aesthetics and for future inquiries in this field

Unseasonable Sarah Dimick, 2024-10-08 As climate change alters seasons around the globe literature registers and responds to shifting environmental time A writer and a fisher track the distribution of beach trash in Chennai chronicling disruptions in seasonal winds and currents along the Bay of Bengal An essayist in the northeastern United States observes that maple sap flows earlier now prompting him to reflect on gender and seasons of transition Poets affiliated with small island nations arrive in Paris for the United Nations climate summit revamping the occasional poem to attest to intensifying storm seasons across the Pacific In Unseasonable Sarah Dimick links these accounts of shifting seasons

across the globe tracing how knowledge of climate change is constructed conveyed and amplified via literature She documents how the unseasonable reverberates through environmentally privileged and environmentally precarious communities In chapters ranging from Henry David Thoreau s journals to Alexis Wright s depiction of Australia s catastrophic bushfires from classical Tamil poetry to repeat photography Dimick illustrates how seasonal rhythms determine what flourishes and what perishes She contends that climate injustice is an increasingly temporal issue unfolding not only along the axes of who and where but also in relation to when Amid misaligned and broken rhythms attending to the shared but disparate experience of the unseasonable can realign or sharpen solidarities within the climate crisis Teaching Climate Change to Adolescents Richard Beach,Jeff Share,Allen Webb,2017-05-25 THE essential resource for middle and high school English language arts teachers to help their students understand and address the urgent issues and challenges facing life on Earth today this text features classroom activities written and used by teachers and a website <http://climatechangeela.pbworks.com> with additional information and links All royalties from the sale of this book are donated to Alliance for Climate Education <https://acespace.org> **Hazen's Complete Spelling-book for All Grades of Public and Private Schools ...** Marshman William Hazen,1895 *Hazen's Complete Spelling-book* Marshman William Hazen,1884 **The comprehensive home lesson book.
