Leadership Handbook Blueprint:

Blueprint for Engagement Norma T. Hollis, 2018-05-20 Authentic leadership is an approach to leadership that emphasizes building the leader's legitimacy through honest relationships with followers which value their input and are built on an ethical foundation. By building trust and generating enthusiastic support from their subordinates, authentic leaders are able to improve individual and team performance. Many scholars and practitioners of authentic leadership say that the number one quality of an authentic leader is self-awareness. Self-aware leaders are transformational. Armed with self-awareness, they build engaging, cooperative teams. How to gain and sustain self-awareness is the focus of the book. This book addresses current leadership challenges in health care and gives leaders guidelines for finding, living, and sharing their authentic voice at home and at work. It is a much-needed handbook to give current leaders perspective and practical tips to being more authentic, communicating more effectively while building engaging rapport across the organization. Additionally, a focus of the book is patient satisfaction. With a focus on nurse and physician leadership, this book provides new perspectives and action plans to increase patient satisfaction through communication that speaks to the needs of the patient in authentic and engaging ways.

The Blueprint Douglas R. Conant, 2020-02-26 A Wall Street Journal and Publishers Weekly Bestseller. Lift your leadership to new heights. Doug Conant, Founder of Conant Leadership, former CEO of Campbell Soup Company and former President of Nabisco Foods, shares transformational insights in his new book *The Blueprint*. Conant is the only former Fortune 500 CEO who is a New York Times bestselling author, a top 50 Leadership Innovator, a Top 100 Leadership Speaker, and a Top 100 Most Influential Author in the World. Get Unstuck. In 1984, Doug Conant was fired without warning and with barely an explanation. He felt hopeless and stuck, but surprisingly, this defeating turn of events turned out to be the best thing that ever happened to him. Doug began to consider what might be holding him back from realizing his potential, fulfilling his dreams, and making a bigger impact on the world around him. Embarking on a journey of self-reflection and discovery, he forged a path to revolutionize his leadership and transform his career trajectory. Ultimately, Doug was able to condense his remarkable leadership story into six practical steps. It wasn't until Doug worked through these six steps that he was able to lift his leadership to heights that ultimately brought him career success, joy, and fulfillment. Reach High. Envision. Dig Deep. Reflect. Lay the Groundwork. Study. Design. Plan. Build. Practice. Reinforce. Improve. In *The Blueprint*, part leadership manifesto, part practical manual, Doug teaches leaders how to work through the same six steps that he used to transform his journey. The six steps are manageable and incremental, designed to fit practically within the pace of busy modern life. Knowing how daunting the prospect of change can be, Doug arms readers with exercises and practices to realistically bring their foundation to life in every situation. Now, today's leaders who feel stuck and overwhelmed finally have a blueprint for lifting their leadership to make meaningful change in their organizations and in the world.
