Three Gods:

God in 3D Colin Green,2019-12-11 This groundbreaking book sets out fresh arguments that common views on the doctrine of the Trinity are mistaken on three counts One the idea of the Trinity can t be found explicitly in Scripture Two it is a mystery irrational to the human mind Three the classical creeds of the church are the best place to start These old ideas break down in light of recent research in biblical studies Writing in plain English the author sets out where the Trinity can be found in Hebrew and Christian Scripture that it is rational and understandable and that there are biblical ways of understanding it that are easier to get across than the classical creeds This book offers what many interested in teaching or learning about the Trinity have lacked up to now And it will be a great help to those who are unsure how to communicate the idea of the Trinity in ways that the nonspecialist can understand For the scholar interested in biblical and early church studies recent insights from temple theology and name theology produce a fresh perspective that will stimulate further discussion on this important subject In the temple of God we find the triune God God, Love And I Dr. Pramod Bhatia,1-02-18 This book is an outcome of two decades of spiritual understanding and realisation developed by the author through his dedicated spiritual practices Although this book is technically categorized as a Fiction Novel the in depth and digested understanding of ancient text presented in this book is factualandunique In order to make it relevant to our contemporary lives the profound and serious subject matter of ancient spiritual literature has been beautifully presented in the form of an exciting and entertaining story of a modern day man whose spiritual understanding develops over the years through his personal efforts and experiences With the help of its simple systematic and easy to understand presentation this book promises to evolve the higher understanding and consciousness of its readers The understanding developed after reading this book will certainly bring its readers closer to True Love something each one of us desperately need for our happiness Due to his strong desire of helping others the author has taken time out from his tight professional and personal schedule and has painstakingly written this book for everyone s benefit The author therefore urges its readers to understand this book by reading it from beginning to end and further requests the readers to help others by sharing the knowledge of this book with everyone This book is first in the series by the author and he will soon be releasing his next book in this series First two chapters of this book are free to read and you may visit author s website www.pramodbhatia.com for reading these free chapters **The Apocalypse Explained According to the Spiritual Sense** Emanuel Swedenborg,1847 *JESUS CHRIST IS GOD* Moreno Dal Bello,2018-08-31 Jesus Christ is God is a treatise on the Deity of Jesus Christ and the Trinity of God Very few have a neutral response when they hear the name Jesus Billions upon billions have called on the name Jesus for centuries and yet few have ever known the true Person behind the name of the One Who would come and save His people from their sins Matt 1 21 Many seek solace and refuge in the name Jesus but few there be who know the Person and Work of the Man behind the name Many derive great comfort and assurance in their lives simply because they call the one whom they
