Gender Warriors U. Melissa Anyiwo, Amanda Hobson, 2019-01-14 *Gender Warriors Reading Contemporary Urban Fantasy* offers classroom ready original essays outlining contemporary debates about sexual objectification and gender norms in urban fantasy and examining how those cultural categories are reinforced and unraveled The essays explore the foundations and evolutions of urban fantasy and presentations of gendered identities in a wide variety of sources focusing not only on popular examples such as *Buffy the Vampire Slayer* and *Underworld* but also on less studied

works for instance Penny Dreadful and Anita Blake The authors address the sociocultural institutions that bind gender to the body and shape our views of gendered norms inviting students of all experience levels to engage in interdisciplinary conversations about both theoretical and embodied constructions of gender and the production of genre and generic conventions The text unpacks cultural norms of gender and addresses issues of identity construction within an endlessly evolving genre This collection demonstrates the way that representations of gender and the kick ass female urban fantasy warrior have upended and reinforced a broad range of expectations and tropes making it a fascinating text for any course such as first year studies literature film gender studies sociology cultural studies history and more

China's Literary and Cultural Scenes at the Turn of the 21st Century Jie Lu,2013-10-18 China's literary and cultural production at the turn of the twenty first century is marked by heterogeneity plurality and diversity Given its complexity the literary cultural production of this period perhaps can be understood most productively as a response to a global modernity that has touched and transformed all aspects of contemporary Chinese reality The eleven essays in this book offer an introduction to some of the most important works published at the turn of the twenty first century In combining textual analysis of specific works with theoretical insights and in locating the texts in their sociocultural and socioeconomic contexts the essays explore key theoretical issues and intellectual concerns of the time They collectively draw a broad contour of new developments major trends and radical changes capturing the intellectual and cultural Zeitgeist of the age All in all these essays offer new theoretical approaches to and critical perspectives on contemporary Chinese literature and culture
