

# Features of Narrative Writing

Stories usually have the following features:

## Characters

The characters are the people in a story.  
What is going to happen to them?

## Settings

The setting tells us when and where the story takes place.

## Plot

The plot tells us what happens in the story (and the order that it happens in).

### Opening

The start of the story.  
The opening should catch the readers' attention and make them want to carry on reading!

### Middle

The events in the middle of the story might include

- a build-up to a problem,
- the problem itself,
- and how it is resolved.

### Ending

This explains what happens to the characters next and describes what they have learned.
