This steamy romance novel contains scenes of adult intimacy and dark situations that can be triggering Reviews I have to be honest I m only a few chapters in but I am enjoying this story immensely that I feel the need to share my thoughts now First of all this story is just a great product of the author thinking outside the box When I first read the title I expected it to be about a female werewolf who had to be mated to the alpha Now I m trying to figure out what kind of species the main character is Second of all I ve only read the first couple chapters and I m already hooked I m on the edge of my seat waiting impatiently to see what s going to happen And the intensity of the kidnapping is very well detailed As for grammar spelling punctuation I see very minimal to no mistakes at all I definitely recommend people read this book Can t wait to read more Charlotte Moore This is one of the best book I ve read before Reading this book will make you feel like you re on a emotional roller coaster It makes you wish you were actually in the book living with all those different people and wolf I found myself getting attached to all the characters The storyline is amazing and I love that this book is unique You will never find a book with a similar plot Again this is a good book Davina Nkasa This book is by far one of my favorites Savannah Burge An amazing story Captivated from the beginning Worth reading and falling in love with it Sakina Naeem What a brilliant story I was captured from the very beginning and was pleasantly surprised that it didn t turn out at all like I thought it would Tinkerbelle Leonhardt Too awesome LOVE this story soooooo much and I can t get enough of it I would recommend this story to anyone who likes to read about werewolves soul mates and romance Love you Tay Tay for writing this awesome story Victoria Aye Interesting and addictive I just couldn t stop reading it Angel Agams It s hard to find werewolf stories with a well written plot There was a background to characters and each scene gave enough description to understand what s going on This is on my list of good werewolf books to read I hope you write a sequel Rachel Pittman In the beginning I was disgusted by the idea of a breeder and all that crap more specifically how who finds her first owns her But I quickly started to realize that the plot line could be amazing if written by the right author and that s exactly what happened here I m usually not a fan of these kinds of werewolf stories where the mate doesn t have a say But in this story she does and she is in a loving and protected relationship If you like werewolf stories you will adore this book Alice This book is a MUST read It s sooo good It has a unique plot line that is not your everyday cliche werewolf novel The main character Emira is so funny and relatable And don t even get me started on Eros He s hot period It s different and I HIGHLY recommend it Kari [Videhound's Golden Movie Retriever 2000](#) Martin Connors,Jim Craddock,1999-08 No other movie guide offers you 24 000 movie reviews 1 000 more than last year or in depth indexes sure to help you settle that office bet complete the crossword experience find the movie serendipity or impress friends family and complete strangers with your fountain of movie trivia We make our book the big orange one you presumably have in your hands right now easy to find and easy to use for a reason your movie watching enjoyment is one thing we take seriously Book jacket *Chronicles Of The Unknown: A Fated Mate Werewolf Romance (The Rise of the Alpha Queen Book 1)* Scarlet Phoenix,2023-02-16 There has never been a female Alpha until Amani Constantine

Blood Bound Tay T.,2020-07-19 Can the prey really catch the predator Or will the predator devour the prey When Maya a dark sorceress discovered an ancient scroll in her search for ultimate power she kidnapped a lethal Alpha known for his ruthless and brutal ways an Alpha known to be more beast than man Alpha Xavier Thaeos the Southern Cardinal Lord He ruled over others weaker than him and was considered a living nightmare He was the Alpha of Alphas The head honcho And Maya had succeeded in chaining him to the walls of her keep and bleeding him to activate the scroll's ritual never realizing that she was walking face first into a trap big enough to bind herself to the cunning Alpha Permanently This steamy werewolf romance contains explicit love scenes Excerpt What is the purpose Why risk your life and do something so very foolish as to cross me the daunting Alpha asked With a slight lift of her upper lip the sorceress pulled the silver dagger out of her bag and approached the daunting Alpha Someone like you wouldn't understand If you don't tell me how do you know I won't he asked swiftly watching the dark sorceress step into the barrier between safety and chaos A feral smile emerged on Xavier's lips His primal urges awakened as the wondrous scent of spring blossoms curled around his senses and teased him with its delicious elements Maya watched him with sharp eyes suspicion collecting in the light depths First of all why do you even care There was a little pause after her words as if he were contemplating her question with the utmost consideration All the while his citrine colored eyes stared directly into her own molten and heated in such an unbearable way that she had to remove her gaze Maya hated the way he stared at her It gave her this insecure feeling of being the lesser of the two as if he were superior to her and would one day make her pay for her insolence She loathed the feeling of being the prey when he was the

mighty predator It irked her to no end Because you interest me he said You make me want to know more about you His powerful statement caused goosebumps to litter Maya s skin in sickening amounts She had to stop herself from heaving in disgust Her back straightened and her shoulders squared when she stopped but a foot from him smiling sweetly angelically up at him with those full pouty lips he wanted to map with his own Then she replied to him with a harsh stab of the silver dagger straight through his muscled forearm Your interest is rather strange and unnecessary she replied offhandedly And I would prefer you keep it to yourself or I will do it for you Maya heatedly watched as crimson blossomed on his skin and collected in the copper chalice she had conjured The first few drops pitter pattered in her cup dancing a light rhythm until she twisted the dagger sharply and caused blood to gush down and fill the cup Don t forget Alpha you are my prisoner Cooperate and I will let you go Retaliate and I will let you rot within the very depths of hell she threatened crudely removing the dagger before digging it back into his arm to state how serious she was Mark My Words In response to her violent caution mirth filled his eyes instead of fear anger or pain Let him go He smirked at the quixotic thought She would not be able to
