Routledge International Handbook of Religion in Global Society Jayeel Cornelio, François Gauthier, Tuomas Martikainen, Linda Woodhead, 2020-11-29. Like any other subject, the study of religion is a child of its time. This volume showcases new work and new approaches to religion, which work across boundaries of religious tradition, academic discipline, and region. The influence of globalizing processes has been evident in social and cultural networking by way of new media like the internet, in the extensive power of global capitalism, and in the increasing influence of international bodies and legal instruments. Religion has been changing and adapting too. This handbook offers fresh insights on the dynamic reality of religion in global societies today by underscoring transformations in eight key areas: Market and Branding, Contemporary Ethics and Virtues, Intimate Identities, Transnational Movements, Diasporic Communities, Responses to Diversity, National Tensions, and
