Working On Emotional Intelligence:

Working with Emotional Intelligence Daniel Goleman, 1998 Do you have what it takes to succeed in your career The secret of success is not what they taught you in school What matters most is not IQ not a business school degree not even technical know how or years of expertise The single most important factor in job performance and advancement is emotional intelligence Emotional intelligence is actually a set of skills that anyone can acquire and in this practical guide Daniel Goleman identifies them explains their importance and shows how they can be fostered For leaders emotional intelligence is almost 90 percent of what sets stars apart from the mediocre As Goleman documents it s the essential ingredient for reaching and staying at the top in any field even in high tech careers And organizations that learn to operate in emotionally intelligent ways are the companies that will remain vital and dynamic in the competitive marketplace of today and the future Comprehensively researched crisply written and packed with fascinating case histories of triumphs disasters and dramatic turnarounds Working with Emotional Intelligence may be the most important business book you ll ever read Drawing on unparalleled access to business leaders around the world and studies in more than 500 organizations Goleman documents an astonishing fact in determining star performance in every field emotional intelligence matters twice as much as IQ or technical expertise Readers also discover how emotional competence can be learned Goleman analyzes five key sets of skills and vividly shows how they determine who is hired and who is fired in the top corporations in the world He also provides guidelines for training in the emotionally intelligent organization in chapters that no one from manager to CEO should miss Working with Emotional Intelligence could prove to be the most important reference for bottom line businesspeople in the first decades of the 21st century

Emotional Intelligence Tanvir Shakil, 2019-03-22 WORKING with Emotional Intelligence Emotional intelligence is a term that refers to the ability an individual possesses when it comes to perceiving evaluating as well as controlling their emotions It tends to be innate meaning every individual is born with it Through studies it is thought that with certain tips on enhancing your mind power an individual can master the art of learning and also strengthening their emotional intelligence There are several things that constitute a broad spectrum of emotional intelligence When you set out to find out what it is there are a few things that you will discover Emotional intelligence can be used for a number of things Mastering it can better so many facets of an individual s life When you have mastery of it one tends to become more self aware This self awareness also translates into better self management The key to becoming more connected with your emotions is to ensure that whatever you are feeling you name it appropriately This means if you are angry do not mistake it for sadness Accurately identify the emotion You should then go ahead to attribute that particular emotion with the source that caused it This is to ensure that you do not take out your emotions on the wrong sources The next thing would be to curb yourself from acting out because of your emotions This helps you in fostering emotional maturity It also enables you to identify both your strengths and your weaknesses when it comes to your emotional intelligence Another thing that you would

have to keep in mind when you are trying to understand what emotional intelligence is would be figuring out what causes emotions in the first place Understanding all the psychological factors that come in to play when your emotions are being formed are one way of enabling yourself to learn how to exploit those very emotions to work towards your personal development Managing your emotions as well as your behavior in a better manner is also key to learning about emotional intelligence This will involve improving how you self regulates yourself You would also have to learn how to manage your frustrations in smarter ways as this would be one of the ways emotional intelligence would help you to reach the goals you have set for yourself Interacting better with people also helps an individual in enhancing their emotional intelligence The stronger it is the easier you find relating to other people It not only makes an individual more empathetic but you also start identifying better with people One way you can try and improve it when it comes to interactions with other people is by trying to become a better listener This enables you to connect with the emotions that they are feeling and in turn you are better equipped at reacting to them in the appropriate manner Having a better understanding of what is emotional intelligence will have an overall positive effect on your life This eBook focus on Working with Emotional Intelligence How do we work with our emotional intelligence The world today requires us to make many critical decisions regarding personal and professional life in a day A businessman needs to make quick and efficient decisions about the company he leads An investor needs to make decisions as to what firm is best to invest in at the given day and time These are only a couple of examples of the kinds of quick decisions people sometimes need to make
