Suitable Vengeance:

A Suitable Vengeance Elizabeth George,2008 **A Suitable Vengeance** Elizabeth George,2007-05-01 Ms George proves that the classiest crime writers are true novelists The New York Times Award winning author Elizabeth George gives us an early glimpse into the lives of Detective Inspector Thomas Lynley forensic scientist Simon Allcourt St James and Lady Helen Clyde in a superlative mystery that is also a fascinating inquiry into the crimes of the heart Lynley the eighth earl of Asherton has brought to Howenstow his family home the young woman he has asked to be his bride But the savage murder of a local journalist is the catalyst for a lethal series of events that shatters the calm of a picturesque Cornwall village and embroils Lynley and St James in a case far outside their jurisdiction and a little too close to home When a second death follows closely on the heels of the first Lynley finds he can t help taking the investigation personally because the evidence points to a killer within his own family Praise for A Suitable Vengeance Elizabeth George reigns as queen of the mystery genre The Lynley books constitute the smartest most gratifying complex and impassioned mystery series now being published Entertainment Weekly Ms George can do it all with style to spare The Wall Street Journal George goes to the head of the genre with class People *Suitable Vengeance* Anthony Holmes,2007 Suitable Vengeance is the fictional story of a twenty first century swindler named Colin Harris As a young man his life is ruined when his father dies in an industrial accident and the management of his company falsifies the evidence in order to show the accident to be his father s own fault Colin swears to take vengeance against the corporate world in the most suitable way he can devise by swindling his various employers out of significant sums of money His scams are well contrived and vary from one company to the next always ensuring that his criminal endeavours hurt only those he considers to be legitimate targets In the process he becomes wealthy and buys a company of his own but fate deals him a joker which puts a twist in the tale and presents Colin with a terrible dilemma

Holy Warriors Richard W. Kaeuper,2012-06-04 The medieval code of chivalry demanded that warrior elites demonstrate fierce courage in battle display prowess with weaponry and avenge any strike against their honor They were also required to be devout Christians How then could knights pledge fealty to the Prince of Peace who enjoined the faithful to turn the other cheek rather than seek vengeance and who taught that the meek rather than glorious fighters in tournaments shall inherit the earth By what logic and language was knighthood valorized In *Holy Warriors* Richard Kaeuper argues that while some clerics sanctified violence in defense of the Holy Church others were sorely troubled by chivalric practices in everyday life As elite laity knights had theological ideas of their own Soundly pious yet independent knights proclaimed the validity of their bloody profession by selectively appropriating religious ideals Their ideology emphasized meritorious suffering on campaign and in battle even as their violence enriched them and established their dominance In a world of divinely ordained social orders theirs was blessed though many sensitive souls worried about the ultimate price of rapine and destruction Kaeuper examines how these paradoxical chivalric ideals were spread in a vast corpus of literature

from exempla and chansons de geste to romance Through these works both clerics and lay military elites claimed God's blessing for knighthood while avoiding the contradictions inherent in their fusion of chivalry with a religion that looked back to the Sermon on the Mount for its ethical foundation

The Essential Mystery Lists Roger M Sobin,2011-09-30 For the first time in one place Roger M Sobin has compiled a list of nominees and award winners of virtually every mystery award ever presented He has also included many of the best of lists by more than fifty of the most important contributors to the genre Mr Sobin spent more than two decades gathering the data and lists in this volume much of that time he used to recheck the accuracy of the material he had collected Several of the best of lists appear here for the first time in book form Several others have been unavailable for a number of years Of special note are Anthony Boucher's Best Picks for the Year Boucher one of the major mystery reviewers of all time reviewed for *The San Francisco Chronicle* *Ellery Queen Mystery Magazine* and *The New York Times* From these resources Mr Sobin created Boucher's Best and Important Lists to Consider lists that provide insight into important writing in the field from 1942 through Boucher's death in 1968 This is a great resource for all mystery readers and collectors Winner of the 2008 Macavity Awards for Best Mystery Nonfiction

Franciscans and Scotists on War Ian Campbell,Todd Rester,2024-11-29 Franciscan friars were everywhere in the early modern Catholic world a world that stretched from the Americas through Western and Central Europe to the Middle East and Asia This global brotherhood was as deeply entangled in the great religious wars that convulsed Europe during the sixteenth and seventeenth centuries as it was in the Spanish and Portuguese empires While the political and imperial theories of Dominicans like Francisco de Vitoria and Bartolome de Las Casas who took the theology of Thomas Aquinas as their starting point are well known this has not been the case for Franciscan thinking until now The Franciscans and their allies built a body of political writings around the theology of John Duns Scotus 1265-6-1308 and this book presents a wide selection of sixteenth and seventeenth century Scotist writings on politics warfare and empire in English for the first time Beginning with Scotus's own doctrine on the forced baptism of Jews this collection translates John Mair 1467-1550 on European imperialism and holy war Alfonso de Castro 1495-1558 on the Schmalkaldic War of the 1540s Juan Focher 1497-1572 on the war against the Chichimeca Indians of Mexico and John Punch on the British and Irish Civil Wars of the 1640s and 1650s The availability of these primary sources for teaching and research will clarify the connection between religion politics and imperialism in the early modern world
