Christianity and The Great Deception Paul Sides, 2015-04-01 In book 1 of The Original Revelation series *Creation Cries Out The Mazzaroth* we learned that our Creator's plan of salvation was written in the stars as a witness to all humanity of a coming Messiah In that first book I explained how the angelic realm corrupted that message and taught mankind to worship the Sun In book *Mystery Babylon The Religion of the Beast 2* we learned how that lie of Sun worship was formulated into a formal religion in Babylon In this book book 3 of The Original Revelation series we are going to trace this Mystery Religion of Babylon as it was formally transferred from Babylon to Rome and became known

[Stepping Out of Self-Deception](#) Rodney Smith, 2010-07-13 A prominent Insight Meditation teacher presents the Buddhist concept of no self in an easy to understand way that will radically change your perspective on life Anatta is the Buddhist teaching on the nonexistence of a permanent independent self It s a notoriously puzzling and elusive concept usually leading to such questions as If I don t have a self who s reading this sentence It s not

that there is no self there says Rodney Smith It is just that the self that is reading this sentence is a configuration of elements that at one time did not exist and which at some point in the future will disperse Even in its present existence it is more a temporary arrangement of components rather than something solid Anatta is a truth the Buddha considered to be absolutely essential to his teaching Smith shows that understanding this truth can change the way you relate to the world and that the perspective of selflessness is critically important for anyone involved in spiritual practice Seeing it can be the key to getting past the idea that spirituality has something to do with self improvement and to accessing the joy of deep insight into reality
