The Noah Myth in Twenty-first-century Cli-fi Novels Helen E. Mundler, 2022 Breaks new ground by both analyzing the literary qualities of four recent rewritings of the Noah myth and contextualizing their concern with climate change within the wider crises of the Anthropocene With the rise of concern about global warming in recent years climate change fiction or cli fi has become increasingly important both as a publishing phenomenon and as an area of academic study and research Flood narratives have become a subsection of cli fi in their own right This book proposes new readings of four recent rewritings of the Noah myth Odds Against Tomorrow by Nathaniel Rich Margaret Atwood s Maddaddam trilogy When the Floods Came by Clare Morrall and The Flood by Maggie Gee Helen E Mundler s book takes into account the wealth of criticism that has appeared on these texts in recent years acknowledging important contributions from critics including Adam Trexler Adeline Johns Putra and Astrid Bracke However her book s strength is that it takes a new approach going beyond the topicality of the texts and treating them not just as ideological statements but giving them their due as literary artifacts While the importance of climate change is beyond debate this book takes a more balanced approach that places it within a wider context of the multiple crises of the Anthropocene y of the texts and treating them not just as ideological statements but giving them their due as literary artifacts While the importance of climate change is beyond debate this book takes a more balanced approach that places it within a wider context of the multiple crises of the Anthropocene y of the texts and treating them not just as ideological statements but giving them their due as literary artifacts While the importance of climate change is beyond debate this book takes a more balanced approach that places it within a wider context of the multiple crises of the Anthropocene

Awake in the Floating City Susanna Kwan, 2025-05-13 A MOST ANTICIPATED BOOK FROM PEOPLE MAGAZINE An utterly transporting debut novel about the unexpected relationship between an artist and the 130 year old woman she cares for two of the last people living in a flooded San Francisco of the future the home neither is ready to leave An astonishing work of art This is the kind of book that changes you that leaves you seeing more vividly and living more fully in its wake Rachel Khong author of Real Americans Bo knows she should go Years of rain have drowned the city and almost everyone else has fled Her mother was carried away in a storm surge and ever since Bo has been alone She is stalled an artist unable to make art a daughter unable to give up the hope that her mother may still be alive Half heartedly she allows her cousin to plan for her escape but as the departure day approaches she finds a note slipped under her door from Mia an elderly woman who lives in her building and wants to hire Bo to be her caregiver Suddenly Bo has a reason to stay Mia can be prickly and yet still she and Bo forge a connection deeper than any Bo has had with a client Mia shares stories of her life that pull Bo back toward art toward the practice she thought

she'd abandoned Listening to Mia allowing her memories to become entangled with Bo's own she's struck by how much history will be lost as the city gives way to water Then Mia's health turns and Bo determines to honor their disappearing world and this woman who's brought her back to it a project that teaches her the lessons that matter most how to care how to be present how to commemorate a life and a place soon to be lost forever *Under Water* Tara Menon,2026-03-17 An intense atmospheric novel about the devastating power of friendship set against the backdrop of two cataclysmic events After Marissa loses her mother at six the most intimate relationship of her life begins Her marine biologist father determined to channel his grief into completing his wife's research whisks her across the globe to Thailand There she meets Arielle and a fairytale friendship takes hold During the week the girls live at the resort owned by Arielle's parents on the weekends they join the tight knit community of researchers on a nearby island Together the girls discover the fragile wonders of its reefs forests and beaches Together they learn to dive into the deep holding their breath for minutes at a time as effortlessly synchronized as the manta rays they come to know by name Together they learn to swim their way out of danger But then comes a wave Arielle can't outpace leaving Marissa gutted with loss Years later Marissa is back in New York adrift and haunted by the memory of her friend Over the course of two fateful days as another cataclysm approaches the city and the past comes flooding back she discovers how to sustain herself in a precarious world *Intermedial Ecocriticism* Jørgen Bruhn,Niklas Salmose,2023-12-11 This is the first book that combines intermedial studies with ecocriticism in order to critically reflect upon the risks and possibilities of representing the climate crisis in several different media and art forms *Artificial Wisdom* Thomas R. Weaver,2025-08-12 In a climate ravaged landscape where AI and humans vie for political power a journalist must unravel a murderous plot that will either upend the world or save it 2050 Investigative journalist Marcus Tully is grieving his wife and unborn child ten years after they perished in a deadly heat wave that gripped the Persian Gulf Now the whole planet is both burning and drowning and the nations of the world decide to elect a global leader to steer humanity through the climate apocalypse The final two candidates a former U S president and Solomon the first artificial intellect to hold political office But as Election Day races closer Solomon's creator is murdered and it's up to Tully to find the culprit Soon Tully is unraveling a conspiracy that goes to the highest levels As the investigation heats up and the planet hurtles ever closer to the brink Tully must find the truth and convince the world to face it Because salvation has a price but is humanity willing to pay it **Loosed Upon the World** John Joseph Adams,2015-09-15 An anthology of twenty six short stories exploring the future of climate change and its effects on life on Earth includes contributions from Margaret Atwood Paolo Bacigalupi and Kim Stanley Robinson **Cli-fi** Axel Goodbody,Adeline Johns-Putra,2018 Proto Climate Change Fiction Speculative future fiction dystopian and post apocalyptic narratives Realist narratives set in the present and near future Thriller crime conspiracy social satire Children's film and young adult novels Literary modernism Notes on Contributors *Fire and Snow* Marc DiPaolo,2018-07-11 Fellow Inklings J R R Tolkien and C S Lewis may have belonged to

different branches of Christianity but they both made use of a faith based environmentalist ethic to counter the mid twentieth century s triple threats of fascism utilitarianism and industrial capitalism In *Fire and Snow* Marc DiPaolo explores how the apocalyptic fantasy tropes and Christian environmental ethics of the Middle earth and Narnia sagas have been adapted by a variety of recent writers and filmmakers of climate fiction a growing literary and cinematic genre that grapples with the real world concerns of climate change endless wars and fascism as well as the role religion plays in easing or escalating these apocalyptic level crises Among the many other well known climate fiction narratives examined in these pages are *Game of Thrones* *The Hunger Games* *The Handmaid s Tale* *Mad Max* and *Doctor Who* Although the authors of these works stake out ideological territory that differs from Tolkien s and Lewis s DiPaolo argues that they nevertheless mirror their predecessors ecological concerns The Christians Jews atheists and agnostics who penned these works agree that we all need to put aside our cultural differences and transcend our personal socioeconomic circumstances to work together to save the environment Taken together these works of climate fiction model various ways in which a deep ecological solidarity might be achieved across a broad ideological and cultural spectrum This book is freely available in an open access edition thanks to Knowledge Unlatched an initiative that provides libraries and institutions with a centralized platform to support OA collections and from leading publishing houses and OA initiatives Learn more at the Knowledge Unlatched website at <https://www.knowledgeunlatched.org> and access the book online at the SUNY Open Access Repository at <http://hdl.handle.net/20.500.12648/7137>

The City in the Middle of the Night (signed Hardback) Charlie Anders,2019-02-12 If you control our sleep then you can own our dreams And from there it s easy to control our entire lives January is a dying planet divided between a permanently frozen darkness on one side and blazing endless sunshine on the other Humanity clings to life spread across two archaic cities built in the sliver of habitable dusk But life inside the cities is just as dangerous as the wastelands outside Sophie a student and reluctant revolutionary is supposed

to be dead after being exiled into the night Saved only by forming an unusual bond with the enigmatic beasts who roam the ice Sophie vows to stay hidden from the world hoping she can heal But fate has other plans and Sophie s ensuing odyssey and the ragtag family she finds will change the entire world **The Director** Ana Filomena Amaral,2021-10-18 The Director is a novel focuses on Gilgamesh s Sumerian epic adapted to the present reality Contemporary problems are addressed from the destruction of the oceans to the genocide of Armenians corruption at the highest level and the predatory greed that threatens the planet including the situation of Syrian refugees in the perspective of what humanity wants for the future and how is compromising it The issue of immortality is nuclear as in the Gilgamesh epic The New York Times Book Review ,1976

Our Shared Storm Andrew Dana Hudson,2022-04-05 Through speculative fiction five interlocking novelettes explore the possible realities of our climate future What is the future of our climate Given that our summers now regularly feature Arctic heat waves and wildfire blood skies polar vortex winters that reach all the way down to Texas and 100 year storms that hit every few months it may seem that catastrophe is a done deal As grim as things are however we still have options Combining fiction and nonfiction and employing speculative tools for scholarly purposes Our Shared Storm explores not just one potential climate future but five possible outcomes dependent upon our actions today Written by speculative fiction writer and sustainability researcher Andrew Dana Hudson Our Shared Storm features five overlapping fictions to employ a futurist technique called scenarios thinking Rather than try to predict how history will unfold picking one out of many unpredictable and contingent branching paths it instead creates a set of futures that represent major trends or counterposed possibilities based on a set of climate modeling scenarios known as the Shared Socioeconomic Pathways SSPs The setting is the year 2054 during the Conference of the Parties global climate negotiations a k a The COP in Buenos Aires Argentina Each story features a common cast of characters but with events unfolding differently for them and human society in each alternate universe These five scenarios highlight the political economic and cultural possibilities of futures where investments in climate adaptation and mitigation promised today have been successfully completed kicked down the road or abandoned altogether From harrowing to hopeful these stories highlight the choices we must make to stabilize the planet Our Shared Storm is an experiment in deploying practice based research methods to explore the opportunities and challenges of using climate fiction to engage scientific and academic frameworks **Trading Dreams** J. L. Morin,2012 Set in the world of sleazy banks that cost people their homes Trading Dreams is a mystery as well as a call to action An intriguing blend of one woman s awakening to her own power an unsolved killing and the inner workings of the Occupy Wall Street movement this book will keep you up reading til the last page Susan Rubin Ms Magazine Blogger Feminist Majority Documentary Film maker Playwright J L Morin s humor unmaskes the hypocrisy of life in New York in the days of bank failure and Occupy Wall Street A new hire Jerry teeters between acting like a trading floor cyborg and activism battling Wall Street corruption as if she didn t have enough to worry about hiding from her dark past For Jerry New York in its heyday means hanging with the

guys finding nothing but users and developing a sex addiction Then the economic crisis descends like a praying mantis devouring its mate at the moment of ecstasy and the bank sets her up Not one to let homeowners down or push clients to invest in the stocks the bank is trying to dump Jerry is convinced she can outsmart the machine With the help of Occupy Wall Street she spreads the word through the human microphone There s little prospect of finding another job when Jerry blows the whistle
