Nuttall, 2020-01-17 I know the words written But the words unwritten Those I don't know After the campaign in the Summer Isle Isabella rides out the winter storms by studying the godly magic under Mother Lembu in the process learning about the origins of the old gods Crown Prince Reginald receives word that his father the King is ill and his sister Princess Sofia acting as regent is imposing a regime that is strangely similar to what had been happening on the Summer Isle nobles killed temples smashed enforced public worship of old gods Concerned that his family and indeed his homeland are in danger Reginald is determined to return home But the storms are still raging with what appears to be unnatural force making any attempt to return to Andalusia too risky for the Prince and his men unless Isabella can somehow use the new rituals she has learnt to placate the powers behind the storms and navigate the fleet safely home to face whatever has taken control of the kingdom Visit bit.ly/TheAncientLie Praise for Christopher Nuttall one of the best authors of entertaining epic fantasy for adult readers Seregil of Rhiminee Praise for the award winning *Bookworm* series A thrilling adventure packed full of magic and memorable characters Highly recommended The Wishing Shelf Awards *Bookworm* won the Adult Fiction GOLD Award in 2013 Praise for Book I of the *Unwritten Words* series there's something about the ancient magic and forces that is almost Lovecraftian in nature **Risingshadow** The Thomas the Tank Engine Man Brian Sibley, 2015-07-17 The stories of Thomas the Tank Engine and his friends have delighted generations of children and adults but what do we know of the man who created them A devoted pastor and family man the Reverend W Awdry first started telling the stories in order to amuse his own children with no idea that the characters would lead to a global phenomenon

that now seventy years after their first appearance shows no signs of waning In this fascinating and warm biography prolific author Brian Sibley brings to life one of the most eminent children s writers of the twentieth century tracing his story from his Edwardian childhood through his time at University and into World War 2 A convinced pacifist Awdry was thrown out of one curacy and denied another because of his beliefs Never afraid to fight for what he thought was right he argued with his publishers and his illustrators demanding the best for his favourite creations the trains and their friends
