Sisters Making Waves:

Making Waves Margaret Atack, Alison S. Fell, Diana Holmes, Imogen Long, 2019 1975 was a key year for the women's movement in France. Through a critical exploration of the politics, activism, and cultural creativity of that moment, this book evaluates the achievements and legacies of second-wave French feminism for subsequent waves, including the movement's contemporary resurgence.

Queer TV China Jamie J. Zhao, 2023-02-16 The 2010s have seen an explosion in popularity of Chinese television featuring same-sex intimacies, LGBTQ-identified celebrities, and explicitly homoerotic storylines. Even as state regulations on vulgar and immoral content grow more prominent, this emerging queer TV China culture has generated diverse cyber and transcultural queer fan communities. Yet these seemingly progressive televisual productions and practices are caught between multilayered sociocultural and political-economic forces and interests. Taking queer as a verb, an adjective, and a noun, this volume counters the Western-centric conception of homosexuality as the only way to understand nonnormative identities and same-sex desire in the Chinese and Sinophone worlds. It proposes an analytical framework of queer-ing TV China to explore the power of various TV genres and narratives, censorial practices, and fandoms in queer desire-voicing and subject formation within a largely heteropatriarchal society. Through examining nine cases contesting the ideals of gender, sexuality, Chineseness, and TV production and consumption, the book also reveals the generative, negotiative ways in which queerness works productively within and against mainstream, seemingly heterosexual-oriented televisual industries and fan spaces. This cornucopia of fresh and original essays opens our eyes to the burgeoning queer television culture thriving beneath official media crackdowns in China. As diverse as the phenomenon it analyzes, *Queer TV China* is the spark that will ignite a prairie fire of future scholarship. Chris Berry, Professor of Film Studies, King's College London. This timely volume explores the various possibilities and nuances of queerness in Chinese TV and fan culture, challenging the dichotomy of positive and negative representations of gender and sexual minorities. *Queer TV China* argues for a multilayered and queer-informed understanding of the production, consumption, censorship, and recreation of Chinese television today. Geng Song, Associate Professor and Director of Translation Program, University of Hong Kong.

Double Crossed Kenneth Briggs,2007-12-18 This groundbreaking expos of the mistreatment of nuns by the Catholic Church reveals a history of unfulfilled promises misuse of clerical power and a devastating failure to recognize the singular contributions of these religious women The Roman Catholic Church in America has lost nearly 100 000 religious sisters in the last forty years a much greater loss than the priesthood While the explanation is partly cultural contemporary women have more choices in work and life Kenneth Briggs contends that the rapid disappearance of convents can be traced directly to the Church s betrayal of the promises of reform made by the Second Vatican Council In *Double Crossed* Briggs documents the pattern of marginalization and exploitation that has reduced nuns to second even third class citizens within the Catholic Church America s religious sisters were remarkable adventurous women They educated children managed health care of the sick and reached out to the poor and homeless They went to universities and into executive chairs Their efforts and successes however brought little appreciation from the Church which demeaned their roles deprived them of power and placed them under the absolute authority of the all male clergy Replete with quotations from nuns and former nuns *Double Crossed* uncovers a dark secret at the heart of the Catholic Church Their voices and Briggs s research provide compelling insights into why the number of religious sisters has declined so precipitously in recent decades and why unless reforms are introduced nuns may vanish forever in America
