The Ultimate Guide to Parenting ,2015-05-16

There are a million parenting books on the market claiming to have the secrets to turning your children into the smartest

happiest hippest best nourished fittest most attractive best behaved and the list goes on They offer a never ending litany of often conflicting advice about everything from breastfeeding to types of discipline to how to get your kid into the Ivy Leagues It s enough to make any new parent sob with frustration It s easy and common to get overwhelmed by the sheer number of opportunities there are to screw up and never have these opportunities been more widespread than in twenty first century America The fact is parenting can be hard to navigate and there are definitely some wrong ways to go about it but it s also the most fun exciting rewarding experience you ll ever have and despite the constant worry we can t do anything to make that go away unfortunately you should be enjoying the unique opportunity to be the parent of your children The purpose of this book entitled *The Ultimate Guide To Parenting How To Raise Children Without Screwing Them Up* by author Britney Watkins is to help you see through the myths and the outright lies that a complicated cultural web has tossed at you and to help you make confident decisions about how you raise your children The information in this book will bring you through each stage of child development infancy toddlerhood preschool grade school and adolescence with useful information on how children s brains develop an overview of the parenting and real life anecdotes that illustrate what the heck we re talking about Between each of the main chapters we ll address relevant topics that parents often find themselves in a quandary over What does self esteem actually mean How do I deal with the judgment of my peers What is the most effective way to listen to my children Is it selfish of me to take time off from my kids I chose to have children so is it okay to ask for help from other people Why is letting go so hard This book doesn t aim to teach you how to raise the perfect child no child is perfect and you won t be either The simple aim of this book is to inform you of the things you can do or not do to raise them without screwing them up

The Ultimate Guide for Parents Lesley Strachan,2018-05-31 This book will give parents the skills to coach their kids and enable them to explore what they want in life Using some of the most successful self development tools this book will enable you to support your kids to be more self confident successful passionate and fulfilled
