Using Academic Program Review:

Using Academic Program Review Robert J. Barak, Lisa A. Mets, 1995-12-19 Much has been written about proper implementation of program review Extensive advice is available to help those implementing or revitalizing program review processes to avoid common pitfalls and build strengths into the processes A factor for gauging the effectiveness of program review is the extent to which results of program reviews are used for other meaningful purposes Literature on the use of review results is less prevalent Institutional researchers and others need to know more about program review's role in program improvement and institutional decision making Questions that need to be answered include the following Are the program review reports and recommendations an integral part of the institution's budget process What is the role of academic program review in strategic planning Can the program review process be linked to the institution's outcomes assessment process The purpose of this volume is to provide planners and institutional researchers with information on the uses of program review results in colleges and universities This is the 86th issue of the quarterly journal *New Directions for Institutional Research* **Directory of Academic Procurement and Related Programs and Courses**, 1986
