Storm of Shadows Madeline Freeman, 2021-01-25 The world is unraveling around me and it's all my fault. A single choice during the Bloomington protests set everything into motion. By choosing to protect the demons I've tipped the scale and my world will never be the same. Nate's wedding is two weeks away. Staying at the chancellor's mansion gives me access to classified information but some secrets should stay buried. Allies come from unexpected places and enemies abound around every corner. Unrest among ethereals grows every day but there's nothing I can do. Trapped in the chancellor's home. Even if I could do something it's likely my intervention will only make things worse. How can I continue on my mission when I'm not sure who I am anymore? How can I help anyone when everything I touch turns to ash? My name is Eden Everdell. Saving my people has always been my mission but I never expected to be the one who needed to be saved. Enter a fast-paced world of angels and demons. Click to buy *Storm of Shadows* today. Set amid opposing factions the Keepers must provide unity and leadership but it's hard to steer when you can't see the road ahead. The only thing for certain is doing nothing isn't an option. With each passing day it's clear the demons aren't the only ones who will suffer under the new chancellor's rule. My fight is bigger than me and my people. If we're going to save the kids I need to unite all the different ethereals. Easier said than done. My name is Eden Everdell and if I can't rise to meet this challenge our rebellion has already lost. I'm Brandee Jean and I managed to win the biggest crown of all. I was an Amazon Princess and Queen of the Gods. For like two seconds. Now though Zeus is back from the dead and everything I went through to win was for nothing. Well almost nothing. I got a hot British boyfriend who is half fae out of it even if he does correct my grammar like constantly. He's not a big fan of my Mama either. But I don't know if that's because she's kind of trashy or it's because she's a zombie. It's nice to have Mama cheering me on again even if she is undead. Cause everywhere I turn there's a fight I've got to get my crown back by competing against my boyfriend and my best friend convince Mama her Hades hookup is just another in a long string of bad boyfriends and stop the humans and paranormals from destroying each other.
