

The same is true for big-wave surfers. Animals such as sharks and jellyfish pose serious risks to surfers. Another obstacle that surfers must overcome is the force of the water. After this photo was taken, surfer Koa Rothman was taken under by the unbelievable force of the wave. So why do it? "The view I had right here was one of the most amazing things I have ever seen in my life," says Koa. "Being in the middle of all that energy is unexplainable!"

Athletes who participate in the Marathon des Sables, or MdS, need to have incredible endurance. In this desert marathon, participants must cross a distance of approximately 250 km (155 mi) over five or six days. The event takes place in the Sahara Desert, where temperatures can reach more than 50°C (122°F). It's no wonder that the MdS is considered the toughest race on Earth!

The athletes shown in the photos are role models for anyone seeking adventure. Do they inspire you to push your own limits?

About the Photo

A participant is shown climbing a sand dune during the third stage of the Marathon des Sables (MdS) on April 1, 2009. The "Marathon of the Sands" has been held in the southern Moroccan desert every year since 1986. In recent years, more than 1,000 runners have competed in the MdS.

Teaching Tip

Students process language at different speeds. Some students may need extra time before responding to a question or completing a sentence. Wait a few seconds when asking a question to give students time to think about the answer.

- 1 Play TR: 2 and have students listen and read. Discuss the reading with students. Ask questions such as:

What is the biggest opponent that extreme athletes compete against?

Why is snowboarding down the side of a glacier hazardous?

What kinds of obstacles do big-wave surfers face?

- 2 Play TR: 3. Have students listen and repeat. Have partners or small groups take turns saying each word.

- List all the vocabulary words on the board. Then have partners or small groups write sentences using the vocabulary words. Say *Work with your (partner) to write sentences that use the vocabulary words. Try to use at least two vocabulary words in each sentence. After you've written sentences for all the vocabulary words, you'll share some of the sentences with the class.*

- Model an example for students. Say *Athletes who do extreme sports use both physical and mental strength. Have each group share a sentence with the class. Place a check mark beside each vocabulary word on the board after it has been used in a sentence. Continue having groups share sentences with the class until all the vocabulary words have been used.*

Practice

- 3 Pair students. Say *Think about the different kinds of extreme sports you've read about: extreme snowboarding, big-wave surfing, and running a desert marathon. Consider which of these sports you might like to try. Now read the Activity 3 questions on page 11. Have partners ask and answer the questions in Activity 3. Say Try to use your new words in your answers.*
