Ski Stooges:

Ski Stooges Paul Kropp,1992 **Skiing** ,1996-02 *Skiing* ,1996-01 **The Storymakers** ,2000 Explore the lives of 83 of the most talented children s authors writing today Told in the authors own words these lively biographies describe the creative process and offer advice to today s young writers Learn how they crate wonderful books where they get their ideas what their desks look like and what their favourite books were when they were growing up **CM** ,1992 **Ski Films** Bryan Senn,2022-05-02 Skiing in movies like the sport itself grew more prevalent beginning in the 1930s when it was a pastime of the elite with depictions reflecting changes in technique fashion and social climate World War II saw skiing featured in a dozen films dealing with that conflict Fueled by postwar prosperity the sport exploded in the 1950s filmmakers followed suit using scenes on snow covered slopes for panoramic beauty and the thrill of the chase Through the free spirited 1960s and 1970s the downhill lifestyle shussed into everything from spy thrillers to beach party romps The extreme sports era of the 1980s and 1990s brought snowboarding to the big screen This first ever critical history of skiing in film chronicles a century of alpine cinema with production information and stories and quotes from directors actors and stuntmen **E Mess** T.E.D. Sullivan,2014-04-21 Based on real accounts E Mess shows a different side of the Vietnam conflict E Mess is the story of a group of young Marines begrudgingly assigned as cooks in Da Nang Vietnam who drink cook and interact with one another as only Vietnam era Marines could The story follows the triumphs and missteps of these men and in particular the rise and fall of rookie Dave Woods during the tumultuous years of 1969 and 1970 Dave s disdain for authority and rules finds him in and out of trouble but his undaunted loyalty to his friends and his more than capable leadership is what makes E Mess the compelling story that it is As the days drag on the reader will meet some unusual characters Some are funny some are sad and some are very sad The reader will also experience real life situations through the eyes of these men such as the 1969 ammo dump explosion the sweep of the ville for American deserters and a skivvie run into the ville to meet some ladies of the night E Mess offers comic relief which was very much needed during the conflict but at times might make the reader want to cry for the poor grunts on the front line The grunts are never far from the cooks minds as they go about their daily routines This book will make you laugh cry and shake your head by some of the decisions made by higher ranking individuals **The Start-Up Junkie's Playbook** Jay J. Silverberg,2023-11-02 Starting a Business What You Need to Think About Know and Do Planning a business needs to start somewhere This playbook is it The objective of this manageable and plainspoken playbook and workbook is to sometimes gently and sometimes less so prod you toward making an informed decision about your proposed entrepreneurial undertaking or conversely help you realize and understand why you need to let go walk away and look elsewhere for opportunities That s the go no go crossroads likely the most important business decision you will ever have to make Think of this as a race to the starting line Get ready to walk through 30 consecutive tough and sometimes personal even mildly cringe worthy step by step milestones **Canadian Book Review Annual** ,1992 **The Writers**
