Chapin's World J. G. Chapin, 2023-06-27 In itself Chapin's World has stood alone as a vast storehouse of worthless yard sale memories and nearly forgotten calamities. Most of which could have been avoided with a simple plan or root intelligence. Even though the author's wife Sunshine has rounded out most of his rough edges, she admits that no job was too small for Chapin to not make big mistakes. Chapin displays a collection of inept unwanted constructions and suffers through unpleasant circumstances with humorous shenanigans. Feel free to jeer at Papa's inability to decorate for Christmas with the Grandlings or escape jury duty. Take an unscheduled ride to a home away from home, investigate a blown fuse, and relive a feeble attempt to dismantle an old-fashioned TV antenna. Treasures of the Past will drag you through the scream door and allow you to be overrun by buffalos and rude dogs. You won't know whether to bow before the author or call the caretakers because no one appears to be safe from the devious disclosures of JC Treasures of the Past, which would be considered outrageous and totally fabricated exaggerations if the author's personality was not so well documented. Beware the most self-loved author has unleashed some newly penned mischief. Go ahead, turn these pages for a memorable dose of humor in Chapin's World Treasures of the Past.

Forest and Stream, 1898 **The World of the Frog and the Toad**, 1967 Describes the physical traits, life cycles, habits, behavior, and habitats of frogs and toads.
