## **Uncertainty And Estimation In Economics Volume Three:**

**IMF Staff papers, Volume 45 No. 3** International Monetary Fund. Research Dept.,1998-01-01 This paper presents international evidence on the determinants of trade dynamics It provides some new empirical perspectives on the relationship between international trade and macroeconomic fluctuations in industrial economies A comprehensive set of stylized facts concerning fluctuations in trade variables and their determinants is presented A measure of the quantitative importance of international trade for the propagation of domestic business cycles is then constructed focusing on the role of external trade as a catalyst for cyclical recoveries
