Uncle Sarge:

Uncle Sarge Bonnie Gardner,2014-09-15 Kids aren't my specialty U S Air Force Combat Controller Rich Larsen could parachute into danger in a moment's notice But being besieged by his convalescing sister's two demanding children was an entirely different matter Well desperate means called for extreme measures So the overwhelmed Uncle Sarge sent out an SOS to the pretty lady who had reunited him with his family Before long Jennifer Bishop worked a miracle on Rich's adorable wards and on his heart So much so that the rootless loner could almost picture them having a family of their own someday Trouble was a love wary Jennifer had sworn off military men Good thing Rich never backed away from a challenge *One Tough Ombre* John Sandifer,2012-02-27 The 90th Texas Oklahoma Division was nick named The Tough Ombres The men wore a T O patch on their shoulders But it was anything but tough when it hit Utah Beach and tried to move inland Taking terrible casualties and making stupid mistakes the Division was called the worst on the continent by top brass Charles Sarge Goodson a farm kid from Childress Texas came to the 90th Division as another green replacement He was intensely proud of the Tough Ombres But both Charles and the 90th Division had some fast growing up to do if they were going to survive

What Death Revealed Jonathan Lash,2024-07-19 In a tale that spans two disparate worlds within one city this gripping novel dives deep into the divide between the glistening capital of the Free World and its neglected districts home to 700 000 citizens mostly of color Eight years after the assassination of Rev Martin Luther King Jr sparked riots that shattered the city's core the scars of racial fury and systemic injustice remain as evident as ever Amid this backdrop of crime and burnt out neighborhoods Jimmy McFarland an earnest young District Attorney stumbles upon evidence of corruption tied to a six billion dollar Metro subway project aimed at reconnecting the city's fractured communities Though clearly a matter for the FBI McFarland embarks on a rogue investigation In doing so he crosses paths with Larry Williams a black police sergeant whose rough exterior belies his own complicated relationship with justice and morality Walking a precarious line between courage and recklessness McFarland and Williams form an uneasy alliance Fueled by McFarland's idealistic pursuit of justice and Williams pragmatic understanding of its rarity the duo confronts a daunting array of racism corruption and murder As they untangle a web of powerful players who thought they were untouchable the question remains Can they navigate the system's deep rooted flaws to achieve some measure of justice With characters that you won't forget an important story that keeps pages turning fast and gritty detail that says the author knows whereof he writes Lash's novel is definitely not to be missed If he can tell a tale this good it is a mystery why he was spending time running a premier environmental organization and being an innovative college president First rate Gus Speth author of *Let Your Tears Water the Earth* and other books Jonathan Lash has given us a perfectly written perfectly paced and completely absorbing inside view of how prosecutors and police actually solve crimes all set in the turbulent days in Washington following Martin Luther King's assassination and Nixon's downfall Lash's tale is one of justice triumphant against great political odds a message that many a reader will welcome today Gary

Milhollin President Wisconsin Project on Nuclear Arms Control What a great read Jonathan Lash uses his background as a white prosecutor in Chocolate City Washington DC to weave an engrossing tale of murder corruptions racial conflict and love The Black DC cop and white AUSA who are the story's principal heroes will stay with you and those familiar with DC will find a bonus in the varied references to landmark shops restaurants and venues in the District Florence Wagman Roisman William F Harvey Professor of Law at Indiana University Letters of Frank Sargeson Sarah Shieff,2012-02-03 A rich and riveting record of both literary and social value Frank Sargeson is one of New Zealand's best loved and most important writers Besides the ground breaking short stories he wrote memoirs novels and plays He encouraged at least three generations of younger writers and for most of his adult life the famous bach behind the hedge at 14 Esmonde Road was at the heart of New Zealand's artistic and literary world Sargeson was also a prolific letter writer and this selection of 500 of the most fascinating ranges over half a century from 1927 to 1981 The letters are immensely readable vividly capturing his life and times his milieu and his personality Frank loved gossip could be bitchy and peevish but also kind affectionate funny ribald astute This collection selected edited and annotated by Sarah Shieff is a document of extraordinary significance for all those interested in New Zealand's literary and social history **CLASS Canceled** United States.
