

Skunks Skylight

Anna Lorraine Guthrie

Skunks Skylight:

Skunks Wyatt Blassingame, 1981 Discusses general characteristics of skunks various species skunks as pets and the mustelid family to which this little animal with the powerful weapon belongs *A Dictionary of European Anglicisms* Manfred Gorch, 2005-06-16 A Dictionary of European Anglicisms documents the spread of English in Europe It provides the first exhaustive and up to date account of British and American English words that have been imported into the main languages of Europe English which imported thousands of words from French and Latin mainly after 1066 is now by far the world s biggest lexical exporter and the trade is growing as English continues to dominate various fields ranging from pop music to electronic communication Several countries have monitored the inflow of anglicisms and some have tried to block it But language as lexicographers have always found and as this book demonstrates once more respects neither boundary nor law The dictionary not only shows which words have been exported where but how the process of importation can change a word s form and function sometimes subtly at others remarkably as in the transformation of painkiller to Bulgarian jack of all trades The book provides a systematic description of the lexical input of English into Icelandic Norwegian Dutch German Russian Polish Croatian Bulgarian French Spanish Italian Romanian Finnish Hungarian Albanian and Greek Each entry has a brief definition of the loan word followed by information on its history and distribution variations in its spelling meaning and pronunciation its route of transmission if not direct from English its degree of acceptance and usage restrictions and its native equivalents and derivatives Grids showing distribution patterns across Europe accompany many of the entries The Dictionary of European Anglicisms is a scholarly tour de force French imported early nineteenth century and the result of a prodigious research effort across Europe masterminded and directed by Manfred Gorch It is a unique resource for comparative analysis and the study of linguistic variation and change It will fascinate linguists and word watchers of all persuasions
