**Margaret Wise Brown's Experimental Art** Julia Pond, 2024-09-25 In this study the engaging art created by children's author Margaret Wise Brown receives the critical attention it deserves as a lasting contribution to American children's literature. Through analysis of her dozens of titles published during the height of western Modernism, this scholarly text shares Brown's importance and impact from the perspective of Brown's work rather than biographically. Moving beyond such popular titles as *Goodnight Moon* and *The Runaway Bunny* into deeper cuts reveals how Brown's oeuvre bridges multiple disciplines including writing, visual art, philosophy, and music. Her projects successfully experiment with artistic collaboration and synesthesia as a natural expression for a child readership while both contributing to and reflecting high Modernism amidst the two World Wars. The quality of Brown's writing and the maturity of her themes reveal respect for her child audience and recommend her work to the generations of readers who followed her early death. As this book demonstrates, Margaret Wise Brown remains one of the truly great authors of children's literature.

**I'll Close My Eyes (but I Won't be Asleep)** Elisa Adler, 2012. Delusion, dementia, or discourse? A daughter insists on the latter and with the threads of her mother's narratives weaves for them a raft of words. These conversations, unlike anything I'd shared with her before, shocked me. I was glad they happened only when we were alone together. I'd never even thought these things I heard us say. Didn't know where they came from. But since they seemed to make sense to her, I kept inviting her to speak. She'd say something I'd listen say something back. We were together in words. As if what we said to each other arose not from our own learning or experience but some underlying chord that included our voices but was bigger, spoke through them as if the sound of the ocean were encoded in the sounds of the rain. *I'll Close My Eyes But I Won't Be Asleep* sounds an intimate, heartbreaking, and sometimes humorous end-of-life chord in a mother and daughter relationship. A compelling memoir, *I'll Close My Eyes But I Won't Be Asleep* is an honest account of what for most of us remains hidden and unheard. It will be useful for anyone torn by conflicting desires and demands, battered by memory, grief, and rage, and struggling to give care.

Elisa Adler studied at the University of California Berkeley, Mills College, and in Bogota, Colombia at Centro de Estudios Colombo Americanos. She has worked as a newspaper reporter, translator, interpreter, laborer, and domestic teacher. English and Spanish at colleges in California and Nevada, and farms with her daughter and husband in the northern Sierra.
