Medically indigent is a condition that is determined by your health care and income provider stating that you are medically indigent and unable to perform three or more activities of daily living due to medical reasons, as defined in 20 FAC 5006.4. Activities of daily living limited to the following activities: bathing, dressing, grooming, routine (not end-of-life) care, meal preparation, feeding, transferring, walking, talking, transfers/ambulation, continence, and range of motion.

In the event you feel you are included in this category, fill out this Medically Indigent Certification Form that must be completed by yourself, a certified representative (social security office or any other government entity or government-funded energy assistance program provider), and your health care physician in which all are verifiable.
