Miller, 2019-04-15 Get a taste of Texas culinary history with this quirky diverse community cookbook from Austin's nineteenth century residents plus photos and informative essays Tacos and barbecue command appetites today but early Austinites indulged in peppered mangoes roast partridge and cucumber catsup Those are just a few of the fascinating historic recipes in this new edition of the first cookbook published in the city Written by the Cumberland Presbyterian Church in 1891 Our Home Cookbook aimed to cause frowns to dispel and dimple into ripples of laughter with myriad receipts from the early Austin community From dandy pudding to home remedies worth knowing these are hearty helpings featuring local game and diverse heritage including German Czech and Mexican With informative essays and a cookbook bibliography city archivist Mike Miller and the Austin History Center present this curious collection that's sure to raise eyebrows if not cravings      **Foodies** Josee Johnston, Shyon Baumann, 2009-12-04 This important new cultural analysis tells two stories about food The first depicts good food as democratic Foodies frequent hole in the wall ethnic eateries appreciate the pie found in working class truck stops and reject the snobbery of fancy French restaurants with formal table service The second story describes how food operates as a source of status and distinction for economic and cultural elites indirectly maintaining and reproducing social inequality While the first storyline insists that anybody can be a foodie the second asks foodies to look in the mirror and think about

their relative social and economic privilege By simultaneously considering both of these stories and studying how they operate in tension a delicious sociology of food becomes available perfect for teaching a broad range of cultural sociology courses
